## SCHEDULE OF APPROVALS - NOVEMBER 30, 1965

### Administrative Items

Agreements-Union County Vocational-Technical Schools

1. Attached contract in triplicate covers agreement between Union County Vocational-Technical Schools, State Department of Education, and State Highway Department for education of thirty-nine of our employees, in Highway Technology, for one semester, at a cost of $958.00 to the Highway Department. This is the second agreement of this kind; the first involving the Trenton Board of Education. The final agreement to be signed will be with the Camden County Vocational School. As you know, the purpose of this training program is to provide a supply of sufficiently trained highway technicians to assume future entrance-level engineering positions that cannot be filled through regular recruitment efforts simply due to the lack of students being graduated as Civil Engineers. Contract has been checked by our Legal Section. Recommend signature of Commissioner Palmer. (November 24, 1965)

### Design Items

Federal Aid-Urban Funds

2. It is recommended that the attached project agreement in duplicate be approved and executed for Right of Way; Route 1, Section 8 from Stony Road to Prince Street, Middlesex County, Federal Project U-95(54). The total estimated cost is $75,000.00. Fifty per cent (50%) or $37,500.00 is Federal Urban Funds. This project agreement is necessary to acquire the necessary rights of way for construction within the subject termini. (November 29, 1965)

Federal Aid-Primary Funds

3. It is recommended that the attached project agreement in duplicate be approved and executed for construction; Route 55 Freeway, Section 5A and 6A, from Schooner Landing Road to N. J. Route 49, Cumberland County, Federal Project F-68(15). The total estimated cost is $942,701.00 of which fifty per cent (50%) or $470,560.00 is Federal Primary Funds. There is 100% State financing involved in the amount of $1,581.00. The roadway work to be performed under this contract consists of various categories of excavation and embankment; drainage, bituminous concrete shoulders and surface courses; topsoiling, fertilizing and seeding and other incidental work as provided for in the contract. (November 24, 1965)

Route 35 Freeway, Sections 1A & 2A

4. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Grading, Paving and Bridges on Route 35 Freeway, Sections 1A and 2A, from North of Allaire Road to Route 33, in the Townships of Wall and Neptune and the Borough of Neptune City, Monmouth County, Federal Project No. F-207(8). Construction Program Year 1964-65, Item No. 39. (November 30, 1965)

Route 295, Section 1R

5. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to advertise after approval has been received from the Bureau for the Grading, Paving and Culverts on Route 295, Section 1R, from vicinity of Oldmans Creek to Hollywood Avenue, in the Townships of Oldmans and Upper Penns Neck, Salem County, Federal Project No. NJ-I-295-1(33)3. Construction Program 1964-65, Item No. 12. (November 29, 1965)

General Property Parcel Map-Route 36, Monmouth County

6. Approval is recommended of the attached prints of the General Property Parcel Map for Route 36, Joline Avenue Connection, from Oceanport Avenue to Branchport Avenue, Monmouth County, in order that the necessary duplicate tracings and linen prints may be prepared for filing in Monmouth County. (November 22, 1965)

Services-Engineering

7. Approval and execution is recommended of the attached Agreement between Taylor, Wiseman, Taylor & Sleeper, consultant, and the State of New Jersey covering understandings in connection with the performance of engineering services relative to the improvement and reconstruction of State Highway Route 37 from the vicinity of the Garden State Parkway eastwardly to the vicinity of Lillie Avenue, Dover Township, Ocean County, a distance of about 4.8 miles. The consultant is to be remunerated for his services on a force account basis in accordance with the terms

(continued on next page)

(contd.) of this Agreement plus payment for the use of motor vehicles and a computer towards a ceiling of $95,000.00; full reimbursement for making subsoil borings, test pits, and/or field and laboratory soil tests towards a ceiling of $5,000.00 or an amount to be determined when the order is made; full reimbursement for printing and reproduction work towards a ceiling of $1,000.00. It is, therefore, recommended that an amount of $101,000.00 be set up to cover the cost of engineering services called for under this Agreement. (November 22, 1965)

Services - Engineering

8. Funds were committed in the Route 287 Agreement with Madigan-Hyland for services covered in our Agreement dated May 6, 1959 in the amount of $473,000.00, which was arrived at on the basis of a 4.3 percentage of a tentative construction estimate of 11 million dollars. The consultant performed services for a construction cost equivalent of $12,957,378.09. This computes to an overall fee of $577,167.26 or a difference of $84,167.26. In addition to this, the consultant was authorized to perform extra work by Change Orders totaling $5,450.54. In order to provide sufficient funds in this account, an additional $89,617.80 is required. It is recommended that this amount be set up. Any additional services or change orders will, therefore, require another action for funds. (November 23, 1965)

- - - - - - - - - - - - -

9. The original appropriation for engineering fees needed for services in connection with Route 287 as covered in our Agreement dated June 4, 1957, provided funds amounting to 2 million dollars. This was based upon an estimate of construction cost of 44 million dollars. On March 27, 1963, an additional $145,000 was set up for this account. The estimate of construction cost assignable for this work is $43,321,418.94 for a fee equivalent of $1,732,856.75 at 4%. Deleted items of construction costs are $160,917.50, producing an additional fee of $6,436.70. In addition to the aforementioned, approved extra work by Change Orders amounted to a total fee of $411,507.14. This leaves an additional $5,800.60 needed to cover the services performed under this account. It is recommended that this amount be set up. Any additional change orders or extra work will require another action for funds. (November 24, 1965)

- - - - - - - - - - - -

10. It is recommended that an additional $50,000 be set up to cover various field engineering services relative to the proposed construction of Routes 80, 95 and others being provided by the Boswell Engineering Company under the terms of our Agreement dated June 25, 1962. (November 29, 1965)

Utilities-Route 21 Freeway, Section 14A

11. Approval and execution is recommended of the attached Order No. PUO-11-21-4A; U-126(22), Contract #3, issued to the New Jersey Bell Telephone Company covering understandings in connection with the rearrangement of their facilities to accommodate the construction of Freeway Route 21, Section 14A, located in the Cities of Passaic and Clifton, County of Passaic. The Utility Company is to be reimbursed for the actual cost of the rearrangement work which including approximately 10% for contingencies is estimated at $15,650.00. Construction Program Year 1964-65, Item No. 35. (November 22, 1965)

Utilities-Route 35, Section 10B

12. To accommodate the construction of Route 35, Section 10B, it was necessary for the Borough of Keyport to relocate their fire alarm system at State expense. It is recommended that the Borough of Keyport be reimbursed for the actual cost of the relocation work in the amount of $424.25 as indicated in the attached invoice. (November 22, 1965)

Utilities-Route 24 Freeway, Section 12A

13. Approval and execution is recommended of the attached Agreement between the Township of Springfield and the State of New Jersey, covering understandings in connection with the State's construction of Freeway Interstate Route 24, Section 12A, a portion of which will pass through the Township of Springfield, and which will necessitate the relocation of certain facilities of the existing sanitary sewer system which is owned and operated by the Township. The State will make or cause to be made the above-mentioned revisions in connection with its contract for the construction of Route 78, Section 5J, and Route 24, Section 12A, Township of Springfield, County of Union, Township of Millburn, County of Essex, City of Summit, County of Union. Construction Program Year 1961-62, Item No. 7. (November 22, 1965)

Utilities-Route 78, Township of Springfiel

14. Approval and execution is recommended of the attached Agreement between the Township of Springfield and the State of New Jersey covering understandings in connection with the State's construction of Freeway Interstate Route 78, a portion of which will pass through the Township of Springfield, and which will necessitate the relocation of certain facilities of the existing sanitary sewer system which is owned and operated by the Township. The State will make or cause to be made the above-mentioned revisions in connection with its contract for the construction of Route 78, Section 5N, Township of Springfield, County of Union. Construction Program Year 1964-65, Item No. 08. (November 22, 1965)

Utilities-Route 78, Section 5N

15. Approval and execution is recommended of the attached Agreement between the Borough of Mountainside and the State of New Jersey covering understandings in connection with the State's construction of Freeway Interstate Route 78, Section 5N, a portion of which will pass through the Township of Springfield in which the Borough of Mountainside has sewer facilities which must be relocated to necessitate the State's construction. The State will make or cause to be made the necessary relocation work in its contract for Route 78, Section 5N, Township of Springfield, County of Union. Construction Program Year 1964-65, Item No. 08. (November 22, 1965)

Sale of Buildings

145. There is presented again the matter of the Public Sale held on September 8, 1964, for the building located on Route 80, Section 4E, Project I-80-4-(10), Two Bridges Road to Glover Avenue, Township of Wayne, Passaic County, New Jersey, Parcel 69. The successful bidder, Garden State House Movers, have not complied with our request, in that they did not submit a balance of $75 due, and $300 escrow. The building was vandalized and was still on the property. It was released for demolition on October 22, 1965. It is recommended that this matter be submitted to the State Highway Commissioner with the request that authority be granted to declare the $100 bid submitted by Garden State House Movers forfeited to the State. (November 24, 1965)

Sale of Property

146. There is presented again the matter of the Public Sale held on August 27, 1965 for the dwelling and greenhouse located on Route 202 & 69, Section 2, Project F-83-(12), Conover Road to Flemington Circle, Raritan Township, Hunterdon County, New Jersey, Parcel 42. The successful bidder, Mr. Philip Cipriano, has not complied with our request in that he did not submit a balance of $110 due, and $300 escrow, and has failed to meet the conditions of the sale. It is recommended that this matter be submitted to the State Highway Commissioner with the request that authority be granted to declare the $150 bid submitted by Mr. Philip Cipriano forfeited to the State. (November 29, 1965)

Demolition ~~Sale~~ of Buildings

147. There is presented the matter of demolition of the buildings located on Route 202 & 69, Section 2, Conover Road to Flemington Circle, Parcel 42, Project F-83-(12). A consent Award was subsequently entered upon the above-captioned property and the owners have executed an authorization conveying to the State, in the entirety the dwelling and greenhouse, and granting authority to the State or its agents to enter on the remainder for the purposes of removal or demolition of dwellings. On August 27, 1965 a Public Auction was held on the site. Mr. Philip Cipriano was the high bidder, in the amount of $150. Mr. Cipriano's bid was approved on September 8, 1965 by the New Jersey State Highway Commissioner. On September 13, 1965 we notified Mr. Cipriano to send the balance of $110 due and $300 escrow to this office. Again on October 7, 1965 we notified Mr. Cipriano about the extreme urgency of this matter and to forward the monies due to this office. This he has failed to do. On October 22, 1965 we notified Mr. Cipriano not to enter upon the land for the removal of the buildings. We have received two estimates for the demolition of the buildings on this property as follows:

| | |
|---|---|
| Zuk Lumber & Demolition Co., Inc. | $600. |
| Stachnik Lumber & Wrecking Co., Inc. | 1,140. |

It is recommended that the low estimate in the amount of $600 submitted by Zuk Lumber & Demolition Co., Inc. be submitted to the State Highway Commissioner for approval and that upon said approval Zuk Lumber & Demolition Co., Inc. be notified to proceed with the demolition of the buildings immediately. (November 29, 1965)

Sale of Property

148. There is presented again the matter of a Public Sale held on June 22, 1965 for the dwelling located on Route 280, Section 3, Laurel Avenue to Prospect Avenue, Project I-280-6-(8), Parcel 13. The successful bidder, Mr. Philip Cipriano, has not complied with the terms and conditions of the sale, in that he failed to submit the balance due in the sum of $2,775 and the Performance Guarantee Money in the sum of $300. It is recommended that this matter be presented to the State Highway Commissioner with the request that authority be granted to declare the deposit in the amount of $925, submitted by Philip Cipriano, forfeited to the State. (November 24, 1965)

Sale of Buildings

149. There is presented again the matter of a Public Sale held on May 27, 1965, for the building located on Route 280, Section 3, from Laurel Avenue to Prospect Avenue, Project I-280-6-(8):

| Parcel | Name of Bidder | Amount of Bid | Amount of Guarantee |
|---|---|---|---|
| 60 | Philip Cipriano | $600 | $300 |

(continued on next page)

(contd) The successful bidder, Mr. Philip Cipriano, has not complied with the terms and conditions of the sale, in that he did not remove the building from the premises by the date specified, September 24, 1965. It is now necessary for our State's contractor to enter this property for the purpose of constructing the proposed highway. It is recommended that this matter be submitted to the State Highway Commissioner with the request that authority be granted to declare the bid in the amount of $600 and the Performance Guarantee Money in the sum of $300 submitted by Philip Cipriano, forfeited to the State. (November 24, 1965)

It is recommended that the low estimate in the amount of $850 submitted by James Petrozello Company, Inc. be submitted to the State Highway Commissioner for approval and that upon said approval James Petrozello Company, Inc. be notified to proceed with the demolition of the dwelling immediately. (December 7, 1965)

Route 80 (1953)

112. There is presented the matter of demolition of the building located on Route 80 (1953), Section 3D, Horseneck Road to Two Bridges Road, Parcel 67A & B, Project: I-80-3-(6).

On June 9, 1964 the above caption was offered for Public Auction, and no bids were received. The dwelling has been extensively vandalized and is in a very hazardous condition.

We are now in receipt of two estimates for the demolition of this dwelling as follows:

| | |
|---|---|
| Mitschele Contracting Company | $1,000 |
| James Petrozello Company, Inc. | $ 850 |

It is recommended that the low estimate in the amount of $850 submitted by James Petrozello Company, Inc. be submitted to the State Highway Commissioner for approval and that upon said approval James Petrozello Company, Inc. be notified to proceed with the demolition of the dwelling immediately. (December 7, 1965)

Route 278 (1953)

113. There is presented the matter of the moving cost reimbursement on Route 278 (1953, Section 1, Project: U-210-(2), from Routes U.S. 1 and 9 to Goethals Bridge;

| | | | |
|---|---|---|---|
| Parcel 582 | Owner: | Trenton Arms Apartments Inc. | Amount: |
| | Tenant: | Tilghman John Newhardt | $53.78 |

Due to extenuating circumstances, this tenant was never notified of our Policy and Procedure regarding the reimbursement of moving expenses.

The tenant has submitted a claim in the amount of $53.78 in this matter. Investigation discloses that this charge is reasonable.

It is recommended that this matter be presented to the Highway Commissioner for approval in the amount of $53.78. (December 7, 1965)

Appraisal Orders (Contracts)

114. Authority is requested to notify previous action of September 29, 1965, approving an appraisal order contract with The American Appraisal Company for appraisement of certain parcels on Route 24, Sections 8, 9, 10, 11 and 12 to include the twelve additional parcels listed on the attached memorandum and also to delete the five parcels listed on the memorandum, as provided under Articles VI and XII. Agreements-Delaware River Joint Toll Bridge Commission

6. Approval and execution is recommended of the attached Agreement, dated November 18, 1965, between the Delaware River Joint Toll Bridge Commission and the State of New Jersey, covering understandings in connection with the proposed revision of design and construction of the N. J. Approaches to the Trenton-Morrisville Toll Bridge, City of Trenton, which work will be undertaken as a Joint Venture. This Agreement, in addition to outlining the responsibilities of the Parties hereto, provides that the Commission agrees to: (1) Reimburse the State for the cost of acquiring additional lands for accomplishing its part of the construction. (2) Convey to the State additional lands necessary in connection with its part of the

(continued on next page)

(contd.) construction. (3) Reimburse the State for additional construction because of the Delaware Joint Toll Bridge Commission Ramps as follows: Ramp A - Estimated at $101,800.00; Ramp Y - Estimated at $321,800.00. (4) Reimburse the State for Engineering and Inspection Charges. (December 22, 1965)

Services-Engineering

7. Approval and execution is recommended of the attached Agreement between Frederick M. Moller, Surveyor and the State of New Jersey, covering understandings in connection with the performance of various field and office engineering services in connection with construction of State Highways throughout New Jersey. The consultant is to be remunerated for his services on an accumulative Time-Hourly Rate Fee based on approved schedule of Classified Hourly Rates listed in the Agreement; plus repayment for requested printing and reproduction work; payment for use of motor vehicles, at a minimum of $6.00 per day, all toward a ceiling of $25,000.00. It is, therefore, recommended that this amount be set up to cover the cost of engineering work called for under this Agreement. (December 22, 1965)

Agreements-County of Bergen - Route U.S. 9W (County Route 503)

8. Approval and execution is recommended of the attached Agreement dated December 21, 1965, between the County of Bergen and the State of New Jersey, covering understandings in connection with the improvement of drainage facilities at the Intersection of Route U.S. 9W and Palisade Avenue (County Route 503), Englewood Cliffs, Bergen County, which facilities are estimated to cost $16,000.00. After construction of the drainage facilities by the County and acceptance by the State, the State will pay as its share of the cost, the lesser of the two following: (1) The sum of $8,000.00. (2) For 50% of the actual construction cost to the County of the total drainage improvement. (December 23, 1965)

Utilities-Route 78, Section 5N

9. Approval and execution is recommended of the attached Order No. PUO-46-78-5N; NJ-I-78-5(10)44, Contract No. 6, issued to the Commonwealth Water Company covering understandings in connection with the rearrangement of their facilities to accommodate the construction of Freeway Interstate Route 78, Section 5N, located in the Township of Springfield, County of Union. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which including approximately 10% for contingencies is estimated at $13,500.00. Construction Program Year 1964-65, Item No. 8. (December 29, 1965)

Utilities-Route 80, Section 3F

10. Approval and execution is recommended of the attached Order No. PUO-83-80-3F; NJ-I-80-3(8)46, Contract No. 4, issued to the New Jersey Bell Telephone Company, covering understandings in connection with the rearrangement of their facilities to accommodate the construction of Freeway Interstate Route 80, Section 3F, located in the Township of Parsippany Troy Hills, County of Morris. The Utility Company is to be reimbursed for the actual cost of the rearrangement work, which including approximately 10% for contingencies is estimated at $40,900.00. Construction Program Year 1964-65, Item No. 10. (December 29, 1965)

Reimbursement-Township of Parsippany-Troy Hills, Rt. 287, Sec. 12B

11. Under an agreement dated September 9, 1963, between the Township of Parsippany-Troy Hills and the State of New Jersey, the Township is to reimburse the State in the amount of $6,840.00 to cover work performed by the State on Township facilities. The Township, however, has made a claim against the State for removal of stored topsoil from their property in connection with the construction of Interstate Route 287, Section 12B for which the State and the Township have agreed to an amount of $3,975.00 as payment for this topsoil. It is, therefore, recommended that the following settlement be approved: (1) Reimbursing the Township of Parsippany-Troy Hills $3,975.00 for the cost of topsoil removed from their property. (2) Applying the reimbursement of $3,975.00 as a credit toward the $6,840.00 that the Township was to reimburse State under the September 9, 1963 Agreement, leaving a balance of $2,865.00 that Township will reimburse State. Construction Program Year 1960-61, Item No. 22. (December 22, 1965)

Utilities-Route 295, Section 2E

12. Approval and execution is recommended for record purposes of the attached Agreement between A. M. Rodgers, Plumbing Contractor, and the State of New Jersey, covering understandings in connection with the construction of water service facilities to eight properties in the Borough of Lawnside, County of Camden, necessitated by the construction of Route 295, Section 2E. The contractor is to be paid for the construction of these water service facilities at the lump sum amount of $745.00. Construction Program Year 1964-65, Item No. 54. (December 22, 1965)

Utilities-Route 295, Section 2E

13. Approval and execution is recommended for record purposes of the attached Agreement between the State of New Jersey and the New Jersey Water Company, covering understandings in connection with the extension of water mains owned and operated by the New Jersey Water Company in connection with the State's construction of Route 295, Section 2E in the Borough of Lawnside, County of Camden. The estimated net cost to the State after due allowances for credit for estimated yearly revenue is $2,100.00, and it is recommended that the Utility Company be reimbursed in this amount. Construction Program Year 1964-65, Item No. 54. (December 22, 1965)

Permits-Route 80, Section 4S

14. Approval and execution is recommended of the attached right of entry permit between the State of New Jersey and the North Jersey District Water Supply Commission, granting the State of New Jersey the right to enter upon lands of the Commission, more particularly Parcel 101, Section 4E, for the purpose of making surveys, engage in clearing, grading, drainage and the erection of structures or other improvements in the connection with the improvement of Route 80, Section 4S in the County of Passaic. (December 29, 1965)

## Construction Items

Route 29 Freeway, Section 12A

15. Bancheri Construction Company, Inc., Hammonton, New Jersey, substantially completed their contract on Route 29 Freeway, Section 12A, Federal Project No. U-198(11), on May 15, 1964. It is recommended that this project be finally accepted and final payment authorized in accordance with the as-built quantities when available, deducting therefrom the sum of $335,80 representing the estimated value of the thickness deficiency of bituminous stabilized base course and/or FABC pavement; deducting also the sum of $462.96 representing liquidated damages for the overrun of four working days used for completion of the project. (December 28, 1965)

Route 80, Section 5S

16. By Commission Action dated February 5, 1965 the contract of Brookfield Construction Company, Inc., 521 Fifth Avenue, New York 17, New York, for the construction of Route 80, Section 5S, Federal Project NJ-I-80-5(23)65 was finally accepted and a semi-final payment authorized withholding 1% of the value of the completed work pending completion of as-built quantities and completion of other stipulations. All incidental work has now been completed in an acceptable manner and the project has been fully opened to traffic for fourteen months. It is recommended that final payment be authorized in accordance with the as-built quantities when available and since the project has been opened to traffic for over one year, it is further recommended that the specified requirement to furnish a one year performance bond be waived. (December 31, 1965)

Route 280, Sections 3B & 4C

17. Approval is recommended of the request of S. J. Groves & Sons Company, Woodbridge, New Jersey, contractor for the construction of Route 280, Sections 3B and 4C, from Roosevelt Avenue to west of Tulip Avenue, Grading, Drainage, Incidental Paving and Bridges at Pleasant Valley Way and Prospect Avenue, Town of West Orange, Essex County, Federal Project No. N.J.-I-280-6(26)55, to sublet Items No. 18, 20, 70, 71 and 73 of the Proposal, consisting of subgrade, concrete base course, 9"x20" white concrete vertical curb, concrete sidewalk and white concrete island pavement in the amount of $59,613.70 representing 1.7351% of the total contract amount less specialty items, to Frapaul Construction Company, 124 Essex Street, Rochelle Park, New Jersey. 83. There is presented again the matter of acquisition of property on Route 287 (1953), Section 7, Project I-287-2-(2), Passaic River to Annin Road, Parcel R62A, Henry F. Leutholt and Elizabeth E. Leutholt, h/w. Condemnation proceedings were previously authorized at which time the owner was demanding $6,700.00 plus Parcels 61B and 61C. Continued negotiations have resulted in the execution of an agreement in the sum of $6,150.00. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (December 31, 1965)

Right of Way-Route 295

84. There is presented again the matter of acquisition of property on Route FAI 108-2-(5), also known as 295-2-(5), Warwick Road to Route 73, Parcels R43 and R45, Tavistock Country Club, which on January 22, 1959 the State Highway Commissioner authorized approval of the agreement received by the Right of Way Division. The deed for these parcels has been conveyed and the owners have been paid the amount of the agreed consideration. It was subsequently determined that a drainage condition resulting from the State's construction was flooding a part of the owners' remaining lands causing damages to the golf facilities and also that a drainage right, Parcel E45, required by the highway construction had not been included in the initial settlement. The owners have now executed a Deed of Release covering the estimated amount of the further damages caused by the flooding in the amount of $26,700.00, and an agreement in the sum of $1.00 providing for the conveyance to the State of the small easement inadvertently omitted in the initial conveyance. The matter is presented for the Commissioner's consideration and upon approval authority is requested to accept the agreement of $1.00 for the easement and to accept the Deed of Release and make payment in the amount of $26,700.00. General Property Parcel Map-Route 78 (1953)

85. There is presented again the matter of acquisition designated on the General Property Parcel Map as Parcel 1, Herbert Simon and wife. Route 78 (1953), Section 4C, Project I-78-4-(5), Myers Road to Diamond Hill Road, on which condemnation proceedings were previously authorized. Further investigation by our engineers has disclosed that this parcel is not required for present construction, and the owners have been so advised. It is recommended that the previous action of April 8, 1965 authorizing condemnation be rescinded, and that this parcel be not acquired; and that Parcel 1 be deleted from the General Property Parcel Map. (December 29, 1965)

Right of Way-Route 35 (1953)

86. There is presented again the matter of condemnation of property on Route 35 (1953), Section 4, Eatontown to Red Bank, Parcel 104B, Morris Freibaum and wife. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $300.; and the testimony on behalf of the owner was in the sum of $1,000. The commissioners made an award in the sum of $975. It is recommended that an appeal be authorized. (December 28, 1965)

Right of Way-Route 36

87. There is presented again the matter of condemnation of lands on Route 36, Section 1, Project U-111-(5), from Route 35 to Palmer Avenue, Parcel 49, Coastal Development and Holding Company. At the hearing before Condemnation Commissioners the testimony on behalf of the owner was in the sum of $4,050.00, and the testimony on behalf of the State was in the sum of $810.00. The Commissioners made an award in the sum of $1,800.00. It is recommended that an appeal be authorized. (December 31, 1965)

88. There is presented again the matter of condemnation of property on Route 36, Section 2, Project U-111-(6), Palmer Avenue to N.A.D. Railroad and Highway, Parcels 95A and 95B, Charles Fossani and wife. At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $2,750.00; and the testimony on behalf of the owner was in the sum of $7,500.00. The Commissioners made an award in the sum of $5,100.00. It is recommended that an appeal be authorized. (December 27, 1965)

Right of Way-Route 78 (1953)

89. There is presented again the matter of condemnation of lands on Route 78 (1953), Section 5A, Project I-78-5-(11), from Shunpike Road to Main Street, Springfield, Parcel 10, Alfred Dreher et al. An appeal was previously authorized from a condemnation commissioners' award in the sum of $42,000.00. Before the case came to trial, the Trial Attorney negotiated a settlement in the sum of $43,000.00 and a Consent Judgment was entered. The matter is submitted for the Commissioner's consideration, and upon approval, for payment of this Consent Judgment in the sum of $43,000.00 without interest or costs. (December 27, 1965)

Right of Way-Route 80 (1953)

90. There is presented again the matter of condemnation of property on Route 80 (1953), Section 4D, Project I-80-4-(4), Glover Avenue to Passaic River, Parcel 434, Patterson Storage and Warehouse Company. An appeal was previously authorized from a Condemnation Commissioners' award in the sum of $208,958.00. At the trial before a jury and prior to expert testimony on behalf of the State, the trial attorney negotiated a settlement in the sum of $237,500.00, without costs or interest. A Consent Judgment was entered in this amount. The matter is submitted to the State Highway Commissioner for his consideration, and upon approval for payment of the Consent Judgment. (December 27, 1965)

Right of Way-Route 108

91. There is presented again the matter of condemnation of lands on Route FAI 108-2-(6), Parcels 4A, 2R4B, 4C and 4D, from Route 73 to Marne Highway, Regnaw Corporation. The owner appealed a condemnation commissioners' award in the sum of $171,000.00. At the trial by jury, the testimony on behalf of the owner ranged from $625,000.00 to $633,360.00 and the State's testimony ranged from $133,000.00 to $139,200.00. The jury returned a verdict of $390,000.00. The Court entered a judgment in the sum together with interest at the rate of 4½% per annum from the date of entry, September 1, 1963, to date of payment. The trial attorney reports that there is no reversible error. It is recommended that this Judgment be approved. (December 29, 1965)

Right of Way-Route U.S. 9 (1953)

92. There are presented report and appraisal with map and description on Route U.S. 9 (1953), Section 24, Project F-181-(11), from Gordons Corner to Route 18, Parcel 8B, Marcrest Homes. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand is considered excessive. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $625.00. (December 29, 1965)

Right of Way-Route 21 Freeway

93. There are presented report and appraisal with map and description on Route 21 Freeway, Section 4, Project U-126-(18), from Route 3 to Monroe Street, Parcel 8, Salvatore Nicholas and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. Agent's demands are unreasonable. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $450.00. 94. There are presented report and appraisal with map and description on Route 21 Freeway, Section 4, Project U-126-(18), from Route 3 to Monroe Street, Parcel 96, Sadie Madison (widow). It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The agent's demand is $25,000.00, which is considered excessive. Should prior to the ultimate fixing of compensation, any provisions of proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $24,275.00. Upon taking of possession, authority is requested to dispose of the building to the road contractor, by public auction, or by sealed bids. (December 31, 1965)

Right of Way-Route 33 (1953)

95. There are presented report and appraisal with map and description on Route 33 (1953), Section 5, from Route U.S. 9 to Smithburg Road, Parcel 34, Irwin W. Shipper, et als. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand of $30,000.00 is considered excessive. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $800.00. (December 27, 1965)

Right of Way-Route 35 Freeway

96. There are presented report and appraisal with map and description on Route 35 Freeway, Section 2, Project F-207-(3), from Shark River to Poplar Road, Parcel 8, Clinton J. Halsey and wife. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand is $150,000.00 which is considered excessive. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $65,000.00. Upon taking of possession, authority is requested to dispose of the building to the road contractor, by public auction, or by sealed bids. (December 27, 1965)

Right of Way-Route 35

97. There is presented the matter of condemnation of property on Route 35, Section 8, Front Street to Leonardville Road, Parcel 12B1, Azzolina Land Corporation. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple subject to any public utilities existing in the premises. The owner would not state demand. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the Court the sum of $100.00. (December 29, 1965)

104. There are presented report and appraisal with map and description on Route 80, Section 4E, Project I-80-4-(10), Two Bridges Road to Glover Avenue, Parcel 82, Fuller Milk Bar & Recreation Center, Inc. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owners would not state their demand. Should prior to the ultimate fixing of compensation, any provision or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $29,000.00. - - - - - - - - - - - -

105. There is presented again the matter of condemnation of property on Route 80, Section 4E, Project I-80-4-(10), from Two Bridges Road to Glover Avenue, Vornado, Inc. Condemnation proceedings were authorized previously on January 20, 1965 and further authority was authorized on December 14, 1965 to file a Declaration of Taking and to deposit with the Superior Court the sum of $320,000.00, representing Fair Market Value. Our engineers on December 29, 1965 advise that the State will require an additional right to construct a ditch excavation necessitating a slight revision. The parcels have been revised and are now designated as Parcels R102A and R102B. Due to the urgency in this case, it is requested that authority be granted to institute condemnation proceedings for the acquisition of Parcels R102A and R102B in fee simple, subject to any public utilities existing in the premises. It is anticipated that this revision will have little, if any, effect on the Fair Market Value previously determined in the sum of $320,000.00; but if so, it is understood that any additional value resulting from this additional encumbrance will be offered to the owner and authority is requested to deposit in the Superior Court said sum. Authority is further requested to rescind the previous action covering Parcels 102A and 102B. (December 31, 1965)

Right of Way-Route 287

106. There are presented report and appraisal with map and description on Route 104-2-(2), Project I-287-1-(2), from Route U.S. 22 to Easton Avenue, Parcel ER37D, Estate of Eugene Spencer, Sr. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this easement, subject to any public utilities existing in the premises. Owners refused to make a demand. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking or possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $200.00. (December 31, 1965)

Right of Way-Route U.S. 202-69

107. There are presented report and appraisal with map and description on Route U.S. 202 & 69, Section 1, Project F-83-(14), from Route 69 to Conover Road, Parcel 20A, Leonard R. Blumberg and Adele, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand is $35,000.00 which is considered excessive. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $2,850.00. (December 31, 1965)

Right of Way-Route 278 (1953)

108. There are presented report and appraisal with map and description on Route 278 (1953), Section 1, Project I-278-6-(2), from Routes U.S. 1 and U.S. 9 to Goethals Bridge, Parcel 85, Raymond Rutledge, et ux. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand is $20,000.00 which is considered excessive. Should prior to the

(contd.) ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $18,700.00. Upon taking of possession, authority is requested to dispose of the building to the road contractor, by public auction, or by sealed bids. (December 27, 1965)

Right of Way-Route 287 (1953)

109. There are presented report and appraisals with map and description on Route 287 (1953), Section 8, Project I-287-2-(18), Passaic River to Sand Spring Road, Parcels 12A, B, C, William R. Goehner and Margaret H. Goehner, h/w. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner's demand is $30,500.00 which is considered excessive. Should prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $27,000.00. Upon taking of possession, authority is requested to dispose of the 1½ story frame dwelling and detached two-car garage to the road contractor, by public auction, or by sealed bids. (December 31, 1965)

Appraisal Contracts

110. There is presented herewith an appraisal order and contract with Joseph J. Blake and Associates, Inc. for appraisement of parcels on Route 95, Section 19, Route 1 to New Jersey Turnpike. Fees and terms are in accordance with the approved departmental appraisal schedule and are as contained in the proposed contract. Approval of this appraisal contract is requested. (December 22, 1965)

Approval is recommended of the plans and specifications and authority to advertise after approval has been received froj the Bureau of Public Roads for the Fence Construction on Route 76, Section 3A, from vicinity of Main Branch of Newton Creek to the vicinity of Kings Highway, in the Borough of Mt. Ephraim and City of Gloucester, Camden County, Federal Project No. N.J.-I-76-8(15)28. Construction Program Year 65-66, Item Number 42. (January 10, 1966)

Route 280, Section 5D - I-280-6(4)57

2. Approval is recommended of the plans and specifications for submission to the Bureau of Public Roads and authority to adviertise after approval has been received from the Bureau of Public Roads for the demolition of buildings on Route 280, Section 5D, from Northfield Avenue to Kenilworth Place in the Town of West Orange and City of Orange, County of Essex, Federal Project No. N.J.-I-280-6(4)57. Construction Program Year 64-65, Item Number 51. (January 4, 1966)

Utilities-Route 24, Section 12A, Summit

3. Approval and execution is recommended of the attached Agreement between the State of New Jersey and the City of Summit covering understandings in connection with the State's construction of a section of Freeway Route 24, Section 12A, through a portion of the City. This construction will necessitate the relocation of certain facilities of the existing fire alarm system which is owned and operated by the City. It is recommended that the City of Summit be reimbursed for the actual cost of the relocation work which is estimated at $300. Construction Program Year 61-62, Item Number 7. (January 7, 1966)

Utilities-Route 78, Section 5J &
Route 24, Section 12A, Springfield Twp.

4. To accommodate the State's construction of Freeway Interstate Route 78, Section 5J and Freeway Route 24, Section 12A, PUA-20A-78-5J; U-204(4), Contract No. 6, the Township of Springfield in connection with the relocation of their facilities incurred inspection costs at an estimated amount of $300 and it is recommended that the Township of Springfield be reimbursed for the actual cost of the inspection work. Construction Program Year 61-62, Item Number 7. (January 4, 1966)

Utilities-Route 78, Section 5N, Springfield Township

5. In connection with the State's construction of Route 78, Section 5N, PUA-48-78-5N, N.J.-I-78-5(10)44, Contract No. 4, Township of Springfield incurred inspection cost in the relocation of their sanitary sewer system. It is recommended that the Township of Springfield be reimbursed for the actual cost of the inspection work which is estimated at $700. Construction Program Year 64-65, Item Number 08. (January 10, 1966)

Utilities-Route 169 Connector, Bayonne

6. In order to avoid serious delay to the State's construction of the Route 169 Connector, the City of Bayonne has been requested to eliminate two points of conflict; first, relocation of a section of 66" R.C.P. sewer; secondly, revision of alighment of 800' of a 54" R.C.P. sewer not yet built. It is recommended that the City of Bayonne be reimbursed for the actual cost of relocating the existing section of sewer and the extra cost resulting from the revised alighment of the proposed sewer, all of which is estimated to cost the State $30,957. Construction Program Year 1966, Item Number 63. (January 4, 1966)

### Construction Items

Agreement-P.R.R. - Utilities, Route 76, Camden

7. In accordance with the terms of an agreementddated October 1, 1965 the State is to pay the Pennsylvania Railroad Company an amount of $1,800,000 for parcels of
(cont'd) (January 10, 1966)

of land and rearrangement of railroad facilities to clear the site for the construction of Interstate Route 76 from Morgan Boulevard to the Plaza of Benjamin Franklin Bridge in the City of Camden. Item 4a of Page 6 obligates the State to pay an amount of $850,000 with 30 days after said agreement is executed. It is hereby recommended that the State Highway Commissioner approve the payment of $850,000. (January 4, 1966)

Reimbursement-Landscape Planting,
Route 80, Section 5F, I-80-5(19)67

8. The construction of Route 80, Section 5F, Federal Project No. N.J.-I-80-5(19)67, required the acquisition of a part of the property of Frank L. Asher, Parcel R7, Route 95, Section 1B, and a temporary easement over remaining landscaped lands for the Teaneck Road Detour. The agreement with the owner contained the following stipulation: "And also the right to construct and maintain a temporary road....... for use during the construction of the bridges and highway. Said right to terminate when the new bridges and highway are completed and open for traffic, at which time the property will be restored to substantially the same condition that prevailed before the work started.". Upon removal of the temporary detour, the area was regraded and topsoiled. The owner was not satisfied and has repeatedly requested that landscape planting also be replaced, which included several large trees. The Deputy Attorney General has submitted an opinion that the term "substantially" as used in the agreement, means the Department is obligated to restore the shrubs and trees. At a meeting on the site between Department personnel and the owner, the value of the landscape removed by the construction of the detour road has been agreed upon at $603.25. It is recommended that payment of the sum of $603.25 to Frank L. Asher be authorized representing the estimated cost of replacement of Landscape Planting as more fully substantiated by a provision made therefor in the agreement for Parcel R7, Route 95, Section 1B, under date of August 22, 1960. It is further understood that the invoice will contain a satisfactory release before payment is made. (January 10, 1966)

## Maintenance & Operations Items

Building No. 8-Fernwood Service Station

9. A request has been received from the Bureau of Construction, Department of the Treasury for authorization to make final payment to the Henry R. Fell Co., 42 Escher Street, Trenton, New Jersey for installing corrugated aluminum roof on Building No. 8, Fernwood Service Station, Trenton. Final inspections have been made of the contract work and approval for authorization is recommended. (January 3, 1966)

## Traffic Engineering Items

Traffic Signals-Route 36 & Earle Naval NAD

10. There is presented from the Electrical Bureau a report concerning responsibility of the operating cost for the existing traffic signal installation at Route 36 and Earle Naval Ammunition Depot, Middletown Township, Monmouth County. The current cost for this signal is now the responsibility of the U.S. Government. A change in Government regulations prohibits continued payments for current for this installation. The annual current cost estimated to be $375 annually must therefore be assumed by the New Jersey State Highway Department. It is respectfully requested that the authorization be given to the Electrical Bureau to assume the electric current cost for the revised signal installation and to negotiate with the New Jersey Central Power & Light Company for electric service. (January 7, 1966)

Traffic Signals-Route 206, Hillsboro Township, Somerset County

11. There is presented from the Electrical Bureau report, agreement and plan covering the installation of a semi-actuated traffic signal with pedestrian push buttons at the intersection of Route 206 and Amwell Road, Hillsboro Township, Somerset County. The estimated cost for this installation is $7,800. The State's share of the estimated cost will be $5,850 and the County of Somerset will pay the remaining $1,950. There will be an annual maintenance cost to this Department of $240. The Township of Hillsborough will pay the electric current operating cost. It is respectfully recommended that authorization be given to the Electrical Bureau to make the installation, and the agreements, which have been approved by the Attorney General, be signed by the proper officials of this Department. (January 5, 1966)

Traffic Signals-County Road 561, Windsor Township, Camden County

12. There is presented from the Electrical Bureau report, plan and letter covering the reconstruction of the existing flashing traffic signal at the intersection of Camden County Route 561 and Spring Garden Road, Winslow Township, Camden County. The signal equipment, presently maintained by the State for Winslow Township per agreement dated December 14, 1962, is sub-standard and in a dangerous condition and must be replaced. All costs for this work, estimated at $1,425 will be paid by Winslow Township. As requested, the State will bill Winslow Township, for actual reconstruction costs, in two equal parts, the firt being January 1, 1967 and the second being January 1, 1968. It is respectfully recommended that authorization be given to the Electrical Bureau to make the installation under the original agreement. (January 5, 1966)

## SCHEDULE OF APPROVALS - JANUARY 17, 1966

### Administrative Items

Public Hearing - Highway Beautification Act

1. The U.S. Bureau of Public Roads has requested our assistance in obtaining suitable facilities for the hearing required under Section 303 of the Highway Beautification Act of 1965, to be held by the Secretary of Commerce in each State for the purpose of gathering all relative information on which to base such standards and regulations as may be necessary for the affected control of outdoor advertising and junkyards; the said hearing to begin at 9:30 a.m. on March 29, 1966 and continue through March 30 and 31 if necessary. It is recommended that authority be given for the renting of suitable facilities in the War Memorial Building, Trenton, for such hearings at an estimated cost of $500.00, which amount will be reimbursed to us by the Bureau of Public Roads. (January 14, 1966)

### Design Items

Route 35 Freeway, F-207(3)

2. It is recommended that the attached project agreement in duplicate be approved and executed for Rights of Way and Utility Relocation: Route 35 Freeway, from Shark River to Deal Road or Popular Road, Monmouth County, Federal Project F-207(3). The total estimated cost is $1,250,000.00. Fifty per cent (50%) of the balance or $625,000.00 is Federal Primary funds. This project is necessary to acquire the necessary right of way for construction within the subject termini. (January 14,1966

Route 295, Section 2N, I-295-2(28)31

3. It is recommended that the attached project agreement in duplicate be approved and executed for construction: Route 295, Section 2N, from Warwick Road to Route 73, Camden and Burlington Counties, Federal Project I-295-2(28)31. The total estimated cost is $17,849.00 of which ninety per cent (90%) or $15,903.00 is Federal Interstate funds. There is 100% State financing involved in the amount of $179.00. The work to be performed under this contract consists of roadway excavation, subbase, gravel base course, bituminous concrete pavement, topsoiling and seeding, and all other incidental work as provided in this contract. (January 14, 1966)

Alignment - Route 87

4. The attached plan shows the schematic arrangement for the proposed alignment for the Route 87, Brigantine Bridge and Approaches. Said alignment was presented at the public hearing on December 1, 1965. There was no major opposition to the alignment. It is, therefore, recommended that the alignment presented at the public hearing be officially adopted by the Department for further development and that the necessary plans be prepared to enable construction to commence on this project.
(January 12, 1966)

Agreement - Oakwood Bldg. Corp., Ramps - Route 42 Freeway, Gloucester Twp.

5. Approval and execution is recommended of the attached Agreement dated January 14, 1966 between the Oakwood Building Corporation and the State of New Jersey, outlining the responsibilities of the parties thereto, in connection with the construction of new ramps by the Corporation to alleviate traffic congestion expected by a new building development proposed by the Oakwood Building Corporation near Lower Landing Road, Route 42 Freeway, in the Township of Gloucester, Camden County. The State shall not incur any costs in connection with this improvement, however, after completion of all work by the Corporation and acceptance by the State, the Corporation will assume full jurisdiction, control and maintenance of all newly improved areas within the State's right of way. (January 17, 1966)

Agreement - Paul J. Emilius & Associates Engineering Services

6. Approval and execution is recommended of attached Agreement dated January 10, 1966, between Paul J. Emilius & Associates, Surveyor, and the State of New Jersey

(continued on next page)

(contd.)
covering understandings in connection with the performance of various field and office engineering services in connection with the construction of State highways throughout New Jersey. The consultant is to be remunerated for his services on an accumulative Time-Hourly Rate Fee based on approved schedule of classified hourly rates listed in the Agreement; plus repayment for requested printing and reproduction work toward a ceiling of $1,000.00; payment for the use of motor vehicles at a minimum of $6.00 per day; and use of an Electronic Computer at $20.00 per hour; all towards a ceiling of $25,000.00. It is, therefore, recommended that this amount be set up to cover costs of engineering services called for under this Agreement. (January 12, 1966)

## Construction Items

Route 80, Section 4AB

14. Approval is recommended of the plans and specifications for Route 80, Section 4AB, Pedestrian Bridge at Pennsylvania Avenue and Incidental Work, City of Paterson, County of Passaic, and for authority to advertise this project for bids. (January 18, 1966) Bids to be received February 17, 1966.

Route 78, Section 5T, I-78-5(17)58

15. General Contractor, Mal-Bros Contracting Company, entered into an agreement with Construction Aggregate Corp. on October 21, 1964 to supply 1,700,000 c.y. of Zone #2 Material for the Route 78, Section 5T project. By letter dated November 30, 1965, Construction Aggregates Corp. filed a claim with the Department against our Contractor in the amount of $579,550.92 for money due them for material. Our Contractor, by letter dated January 4, 1966, has advised us that this claim is unwarranted and that they will be willing to provide a Bond for the amount in dispute. The Department has on record an affidavit from the supplier that he has been paid for 1,692,081 c.y. and therefore the only amount of claim that the State can consider as being valid will be for quantities in excess of amount stated. The Department has used its offices in an attempt to help settle the dispute but it appears that it will not be resolved in the near future. It is therefore recommended that the State Highway Commissioner approve the acceptance of a Bond in the amount of $579,550.92 to cover this claim and that all monies due Mal-Bros Contracting be paid by the Department. (January 12, 1966)

Railroad and Highway, Parcel 129B, Compton Realty, Inc. now J. Crawford Compton, Inc. Condemnation proceedings were previously authorized at which time the owner's demand of $18,000. was considered excessive. Continued negotiations have resulted in the execution of an agreement in the amount of $7,500.00. It is recommended that this agreement be approved, and that condemnation proceedings previously authorized be discontinued. (January 12, 1966)

------------

56. There is presented again the matter of application for a Riparian Grant required from the Department of Conservation and Economic Development on Route 36 (1953), Section 2, Project U-111-(6). An application was approved on December 9, 1965 for Parcels T2R68A and T68B. Subsequently, these parcels were revised and are now designated as T3R68A and T68B. It is recommended that the previous application covering T2R68A and T68B be rescinded and that this application covering Parcels T3R68A and T68B be executed by the Commissioner so that the same can be formally presented to the Department of Conservation and Economic Development. (January 12, 1966)

------------

57. There is presented again the matter of condemnation of lands on Route 36 (1953) Section 2, Project U-111-(6), Palmer Avenue to N.A.D. Railroad and Highway, Parcel 129D, Compton Realty, Inc. An appeal was previously authorized from a condemnation commissioners' award in the sum of $2,700.00. At the trial before a jury, the testimony on behalf of the State was in the sum of $1,500.00, and the testimony on behalf of the owners ranged from $4,500.00 to $6,000.00. A Judgment has been entered in the sum of $1,500.00 plus interest at the rate of 6% from date of entry, March 31, 1965 to date of payment. It is recommended that this judgment be approved plus interest to the date of payment. (January 12, 1966)

Right of Way - Route 80

58. There is presented again the matter of condemnation of lands on Route 80 (1953) Section 5E, Project I-80-5-(11), from Route 17 at Lodi to New Jersey and New York Railroad (Erie) at Hackensack, Parcels R12A and R12C, Frank Altomare et al. An appeal was previously authorized from a condemnation commissioners' award in the sum of $3,000.00. At the Trial before a Struck Jury, the testimony on behalf of the State was in the sum of $820.00; and the testimony on behalf of the owner was in the sum of $6,500.00. The Jury returned a verdict in the sum of $1,250.00 together with interest from date of entry, October 15, 1961 at the rate of 5%, which interest amounts to $260.40. A Judgment has been entered in the sum of $1,510.40. The Trial Attorney states that there is no reversible error. The matter is submitted for the Commissioner's consideration and upon approval, for payment of this Judgment in the total sum of $1,510.40. (January 12, 1966)

Right of Way - Route 21 Freeway

59. There are presented report and appraisal with map and description on Route 21 Freeway, Section 4, Project U-126-(16), from Route 3 to Monroe Street, Parcels 133B and 133C, Board of Education of Passaic. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of these parcels in fee simple, subject to any public utilities existing in the premises. The owners would not state their demand. Should prior to the ultimate fixing of compensation, any provision or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $940,000.00. Upon taking of possession, authority is requested to dispose of the improvements to the road contractor, by public auction, or by sealed bids. (January 12, 1966)

Right of Way - Route 35

60. There is presented again the matter of condemnation of lands on Route 35 (1953) Section 3, from Junction Routes 70 and 34 to Sea Avenue, Point Pleasant, Parcel R1A, The New York and Long Branch Railroad Co. Inadvertently authority was not requested to enter upon the owner's land to remove a building lying partly inside the right of way and partly outside the right of way and it is therefore requested that authority be granted to do so. (January 12, 1966)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

## SCHEDULE OF APPROVALS - JANUARY 24, 1966

### Administrative Items

Agreements-Camden County Vocational School - Employees Education

1. Attached contract in triplicate covers agreement between Camden County Vocational-Technical High School, State Department of Education, and State Highway Department for education of our employees, in Highway Technolocy, for one year at a cost of $927.50 to the Highway Department. This is the third agreement of this kind; the first involving the Trenton Board of Education, the second the Union County Vocational-Technical School. As you know, the purpose of this training program is to provide a supply of sufficient trained highway technicians to assume future entrance-level engineering positions that cannot be filled through regular recruitment efforts simply due to the lack of students being graduated as Civil Engineers. Contract has been checked by our Division of Legal Services. Recommend signature of Commissioner Palmer. (January 24, 1966)

Claims-Cancellations

2. In accordance with the recommendation made by the Claims Bureau and William J. McCormack, Deputy Attorney General, and Cyrus Card, Comptroller for the State Highway Department, in connection with claims being carried against outside parties arising out of motor vehicle accidents, more fully set forth in the Schedule, attached hereto, it is hereby recommended that the claims in question be cancelled for the reasons set forth in the memorandum prepared by the Claims Bureau, dated December 15, 1965. The 15 claims recommended for cancellation and appearing on the attached Schedule total $5,315.34. (January 21, 1966)

Route U.S. 22, Section 11D

3. Approval is recommended of the plans and specifications and authority to advertise for the construction of a Turnaround in the vicinity of Station 192+00 on Route U.S. 22, Section 11D, Borough of North Plainfield, Somerset County, Construction Program Year 1965-66, Item Number 62. (January 21, 1966)

General Property Parcel Map
Route 17 (1953), Section 2

4. Approval is recommended of the attached print of the General Property Parcel Map for State Highway Route 17 (1953), Section 2, from Route U.S. 46 to Route 4, Bergen County, in order that the necessary duplicate tracings and linen prints may be prepared for filing in Bergen County. (January 21, 1966)

General Property Parcel Map
Route 17, Section 6D

5. Approval is recommended of the attached prints of the General Property Parcel Map for Route 17, Section 6D, Farview Avenue Ramp, Bergen County, in order that the necessary duplicate tracings and linen prints may be prepared for filing in Bergen County. (January 21, 1966)

Reimbursement- Ruth Hetherington
Repl. Damaged Well-Route 295, Section 2J

6. During the construction of Route 295, Section 2J, a well on the property of Ruth Hetherington has become unusable. To rectify damage to the water supply of this property, it has become necessary to drill a new well. It is therefore recommended that an amount of $1325.09 be set up to reimburse the Artesian Well Drilling Company for this work. (January 24, 1965)

Reimbursement-Clarence H. Hoffman, Repl.
Damaged Well, Route 38, Sections 4F & 2C

7. During the construction of Route 38, Sections 1F & 2C, a well on the property of Clarence H. Hoffman has become unusable. To rectify the damage to the water supply of the property, it is proposed to make a connection to the existing municipal water main rather than by well method. It is therefore recommended that an amount of (cont'd)

$920 be set up to reimburse James Earle, a local plumber who normally performs such work for the Township, and payment made directly to the plumber. Construction Program Year 1961-62, 1962-63, Item Numbers 14,13. (January 21, 1966)

Reimbursement-Joint Meeting, Rt. 78,
Sec. 5 J 7Rt. 24 Freeway, Sec. 12A

8. PUA-21B-78-5J Agreement approved on January 18, 1965 between the State of New Jersey and the Joint Meeting ( a Sewer Authority of Essex & Union Counties) covering sanitary sewer relocation work did not authorize reimbursement to the Joint Meeting for Engineering Services in connection with this work. It is therefore recommended that $600 ve set up for reimbursement to the Joint Meeting for charges for engineering services necessitated by the sewer rearrangment work authorized by PUA-21-B-78-5J. Construction Program Year 1961-62, Item Number 26. (January 24, 1966)

Cardinal, his wife; Carl Kolodin and Eileen Kolodin, his wife

The Commissioner approved the agreement on December 7, 1965. Subsequently, title was transferred to the individuals and a new agreement was executed in the amount of $35,300.

78. Right of Way-Route 278 (1953)

There is presented again the matter of acquisition of property on Route 278 (1953), Section 1, Project I-278-6-(2), Routes U.S. 1 and U.S. 9 to Goethals Bridge, Parcel 40, Frank Cickiewicz, Jr., et ux. Condemnation proceedings were previously authorized, at which time the owner's refused to negotiate.

Continued negotiations have resulted in the execution of an agreement in the amount of $17,500., plus the retention of the dwelling. Agreement provides for a down payment of $4,300. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (January 21, 1966)

79. Right of Way-Route 280 (1953)

There is again presented the matter of acquisition of property on Route 280 (1953), Section 3, Project I-280-6-(8), Laurel Avenue to Prospect Avenue, Parcel 41, Harry M. Wadams and Nora Wadams, h/w. Condemnation proceedings were previously authorized at which time the owners were demanding $22,000.

Continued negotiations have resulted in the execution of an agreement in the sum of $18,000., including a down payment of $4,500. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to withdraw from the Superior Court the sum of $17,500. previously deposited in order to make payment to the owner.

Authority is requested to dispose of the 1½-story dwelling and frame shed to the road contractor by public auction or by sealed bids. (January 31, 1966)

Utilities-Route 78, Section 4J

Public Utility Agreement #38-78-4(3)35, Contract #5 estimated the cost of casing the pipe line facilities of the Transcontinental Gas Pipe Line Corporation in the amount of $68,375. However, the actual cost of the work amounted to $89,035.47, which is $20,660.47 or a 30.216% in excess of the estimated amount. This excess was due to the fact that a better type of backfill material had to be used which was not anticipated when the original estimate was made.

It is, therefore, recommended that an additional amount of $20,660.47 be set up making a revised total cost of $89,035.47 for the above-mentioned Agreement, Construction Program Year 1964-65, Item Number 8. (February 3, 1966)

## SCHEDULE OF APPROVALS - FEBRUARY 14, 1966

### Administrative Items

1 Claims-Settlements

There is presented a claim arising out of an automobile accident which occurred on July 1, 1963 on Route 22, Pattenburg, New Jersey involving a vehicle owned by Avis Rent A Car and operated by Urie J. Wallack. As a result of the aforesaid accident State Highway Department owned Maintenance Bureau property was damaged and had to be repaired at a cost of $106.38. Upon presenting this claim to the insurance carrier for the outside party involved they wrote to the Claims Bureau advising that the State Highway Department's claim in this matter in the amount of $18.87, arising out of this accident, had been settled and they had a duly executed release from the State Highway Department. The Claims Bureau then ascertained that an Electrical Bureau claim had been sent to the insurance carrier involved arising out of the same accident and this claim had been settled, as stated by the insurance company involved.

The Claims Bureau then wrote to the insurance company advising that the State Highway Department's claim in the amount of $18.87, which they settled, only applied to Electrical Bureau damages. The insurance carrier replied they had a valid release in this matter and that they were led to believe that the $18.87 was the entire claim of the State of New Jersey. It is their contention that any other debts outstanding as a result of this occurrence would be null and void, based upon the release which they had in their file. The insurance carrier further stated that in order to avoid unnecessary and prolonged litigation, they were willing to dispose of this matter on a basis of 50% of the amount outstanding.

In view of the foregoing, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William McCormack that the amount of $53.19 be accepted in full settlement of this claim and the remaining $53.19 be cancelled. (February 10, 1966)

### Design Items

2 Agreements-City of Linden, Jurisdiction, Control & Maintenance, Route U.S. 1-9

Approval and execution is recommended of the attached Agreement dated February 8, 1966 between the State of New Jersey and the City of Linden covering understandings relative to the apportionment of jurisdiction, control, and maintenance of a Frontage Road being constructed in connection with the State's improvement of Interstate Route I-278 at the intersection with Route U.S. 1-9 in the City of Linden, Union County. (February 9, 1966)

3 Project Agreement-Route 1, Section 8D

It is recommended that the attached project agreement in duplicate be approved and executed for Construction:

The total estimated cost is $814,130.00 of which fifty percent (50%) or $404,850.00 is Federal Urban funds. There is 100% State financing involved in the amount of $4,430.00.

The work to be performed under this contract consists of engineering; grading; removal of concrete curb; drainage; subbase; construction of concrete, macadam, stone and bituminous-stabilized base course; bituminous concrete surface pavement including the resurfacing of existing concrete pavement with bituminous concrete; vertical and barrier curb construction; railroad crossing pavement; concrete culvert; topsoiling and seeding; and other incidental work as provided in the Contract. (February 11, 1966)

4 Federal Aid Project Agreements-
Route 278,

It is recommended that the attached project agreement in duplicate be approved and executed for Preliminary Engineering:

The total estimated cost is $180,000.00 of which $162,000.00 is Federal Interstate funds. The ratio participation is 90%.

The work to be performed under this agreement consists of Preliminary Engineering services necessary to provide complete construction and right of way plans. (February 7, 1966)

5 Federal Aid Project Agreement-Rt. 280, Sec. 3

It is recommended that the attached modified project agreement in duplicate be approved and executed for Right of Way:

The total estimated cost of $1,700,000.00 of which $1,530,000.00 is Interstate funds remains the same.

The modification provides a summarization of cost so that relocation assistance and demolition are itemized. (February 9, 1966)

6 Federal Aid Project Agreement-Route 280, Section 4

It is recommended that the attached modified project agreement in duplicate be approved and executed for Right of Way:

The modification provides for a total increase of $1,750,000.00 of which $1,575,000.00 is Interstate Funds; also a summarization of cost to itemize relocation assistance and demolition.

The total estimated cost is $2,750,000.00 of which $2,475,000.00 is Interstate funds. (February 10, 1966)

7 Federal Aid Project Agreements
Route 295, Section 2

Agreements-Howard, Needles, Tammen &
**8** Bergendoff - Route 15 - Services-Engineering

Work has been substantially completed for the Route 15 Improvement, from Picatinny Arsenal to Houses Corner, as required in our Agreement with Howard, Needles, Tammen & Bergendoff dated August 22, 1961. This project has been stopped pending legislation to make certain stretches of Route 15 a freeway.

In view of the aforementioned, the 5% retainage withheld on this project is not realistic. It is, therefore, recommended that the retainage for this project be reduced to 1%.
(February 7, 1966)

Services - Engineering
**9** Agreements-Edwards & Kelcey, Rt. 280

Work has been substantially completed for the Route 280 Project as required in our Agreement with Edwards and Kelcey dated May 22, 1961. All the plans have been submitted and are awaiting Departmental review. The estimated construction cost has increased from 18.2 million dollars to 22.0 million dollars. The Department is presently evaluating this cost and the associated fee, and has already approved utilizing a 20.0 million dollar construction cost for fee reimbursement purposes.

In view of the progress on this project and the large increase in estimated cost, it is not considered necessary to withhold a 5% retainage. It is, therefore, recommended that the retainage for this project be reduced to 1%.
(February 7, 1966)

Agreements-Madigan-H~~i~~yghland
**10** Engineering Services, Rt.440

The Estimate of Construction Cost for Route 440 covering services in connection with our Agreement with Madigan-Hyland dated June 1, 1964 has been increased from 22.0 million dollars to 30.0 million dollars. Reimbursement is provided at 4.3%. The additional Construction Cost necessitates a further appropriation of $344,000 to cover reimbursement under this Agreement.

It is recommended that this amount be set up. (February 7, 1966)

Utilities-N.J. Bell Tel. Co.

## Design Items

2 General Property Parcel Map- Route 23 (1953), Section 9

Approval is recommended of the attached print of the General Property Parcel Map for Route 23 (1953) Section 9, from Sussex to Colesville, Sussex County, in order that the necessary duplicate tracings and linen print may be prepared for filing in Sussex County. (February 17, 1966)

3 Agreements-Madigan-Hyland, Inc., Route 75

Approval and execution is recommended of the attached Supplemental Agreement dated February 15, 1966 between Madigan-Hyland, Inc., Consultant, and the State of New Jersey. This Agreement extends the scope of existing Agreement dated May 24, 1957 to include:

A. Proposed interchange of I-78 with Route 75 (N-S Midtown Connector in Newark) to south side of West Runyon St., Newark.

B. Remainder of Haynes Ave. Interchange, from proposed Station NC 768+00 ahead southerly to the vicinity of McClellan Avenue, Newark.

The original fee appropriation was 3.655 Million Dollars plus contingencies and was based upon a total estimate of construction cost of 85 Million Dollars. The revised cost estimate of 108 Million Dollars requires a fee of $4,574,000. It is therefore recommended that an additional $919,000 be set up. (February 21, 1966)

4 Agreement-Rahway Valley Railroad Company, Rt. 78, Sec. 5J 30 c

Approval and execution if recommended of the attached Agreement number RRA-13-78-5J; NJ-I-78-5(9)47, Contract number 1, dated February 10, 1966 between State of New Jersey and Rahway Valley Railroad Company covering understanding in connection with the State's construction of Interstate Route 78, Section 5J in the Township of Springfield, Union County, which construction will affect the facilities of the Railroad Company.

The State of New Jersey will reimburse the Rahway Railroad Company for the cost of protective personnel (flagging duties) during the construction of the highway facilities, which costs are estimated at $5,960.00 which includes approximately 10% for contingencies. Construction Program Year 1961-1962, Item Number 26. (February21, 1966)

(February 23, 1966)

3 Claims-Settlements

This claim arises out of damage to a 1954 Ford bearing Reg. HYE 278 which was damaged in an accident on September 20, 1965 on Route 21, Newark, New Jersey. The vehicle was involved in an accident with another vehicle owned by Frey's Motor Express, Inc. of Phillipsburg, New Jersey. Total costs of repair of damages was $124.16.

Investigation by the Claims Bureau disclosed that the accident occurred on a curve where the road turned to the right. The roadway, at this point, comprises of two lanes north and two lanes south, plus shoulders. The State vehicle was on the right hand side, or inside lane, while the other vehicle was on the outside, or left hand, lane. In negotiating the turn, it appears that the two vehicles came together side by side, causing damage to the left front fender and bumper of the State owned vehicle. The Harleysville Mutual Insurance Company has denied liability in connection with the State's claim.

We thereupon made a personal call at the Harleysville Mutual Insurance Company, Somerville Claims office. We discussed this claim with Mr. Nickerson, who told a representative of the Claims Bureau that they were refusing this claim on the basis of their driver's statement that the State driver drifted to the left into the side of their insured's vehicle. The Claims Bureau thereupon attempted to negotiate a compromise settlement and was successful in securing a draft in the amount of $70.00, which represents slightly more than a fifty percent payment.
(cont'd)

Based upon the statement of the driver of the other vehicle and the lack of any witnesses to the accident, we can only conclude that it would be difficult to make a full recovery in this matter. Taking into consideration of the cost of litigation and the probability that we would have a difficult time in proving our case, it is our opinion that the State would be justified in accepting the above offer of settlement rather than attempting to recover the full amount of the claim by means of a law suit.

It is, therefore, our recommendation that this offer of settlement receive favorable consideration in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that this claim against Frey's Motor Express, Inc. in the amount of $124.16 be reduced to $70.00. (February 24, 1966)

### Claims-Settlements

4 The above captioned claim arises out of an accident occurring on September 27,1958 on the Passaic River Bridge, Kearny, New Jersey involving a vehicle operated by Arthur L. Hayes. As a result of this mishap the crash gate on the bridge was damaged and had to be repaired at a cost of $88.99. Upon presenting Mr. Hayes with our claim in this matter he wrote to us advising that the vehicle he was operating at the time this mishap occurred was owned by a Mr.Ben Lynn, c/o Fielhien Cleaners, Hillside, New Jersey, who was his employer at the time and that Mr. Lynn stated that he would take care of our claim. Mr. Hayes no longer works for this employer and any attempts to contact the owner of the vehicle involved have been unsuccessful.

An investigator of the Claims Bureau contacted Mr. Hayes during September 1964, at which time he advised Mr. Hayes that due to the circumstances involved and because of his poor financial circumstances the Claims Bureau would recommend approval, if he would pay 50% of this claim. Mr. Hayes made a payment of $22.25 during October 1964 and the Claims Bureau has now been successful in obtaining a payment of $22.50. These payments total $44.75. The debtor involved has lived up to his agreement and it is recommended that the balance of this claim in the amount of $44.24 be cancelled.

In view of the foregoing, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William McCormack, that the balance of this claim against Arthur L. Hayes in the amount of $44.24 be cancelled. (February 24, 1966)

## Design Items

### Agreement-Township of Clinton
### Utilities-Route 78, Sections 2M & 3E

5 Approval and execution is recommended of the attached Agreement number PUA-65C-78-2M & 3E; NJ-I-78-3(11)19 dated February 5, 1966 between the State of New Jersey and the Township of Clinton covering understanding in connection with the State's proposed construction of Freeway Interstate 78, Section 2M and 3E a portion of which will pass through the Township of Clinton and the Boro of Lebanon, County of Hunterdon, where a component of the Township's future sanitary sewer system will cross the Freeway within the confines of the Boro of Lebanon, as per agreement between said municipalities.

In connection with its policy the State will include in its highway construction contract the installation of the future sanitary sewer pipe line when it is considered as being beneficial to the State and the municipalities providing the governmental agency furnishes the necessary pipe and appurtenant material. ## Construction Items

10

Route 27, Section 9A

Watchung Paving Company, Westfield, New Jersey, have completed all work on their contract for Route 27, Section 9A, on June 22, 1964.

The project has been inspected and found satisfactory for final acceptance with the exception of minor sidewalk construction.

It is recommended that the project be finally accepted and a semi-final payment authorized in accordance with the As-Built Quantities withholding the sum of $2,500.00 pending the replacement of unsatisfactory sidewalk. Final payment to be made without further Commission Action upon certification that satisfactory sidewalk replacement has been accomplished.

It is further recommended that since the project has been completed and fully open to traffic for approximately eighteen (18) months, that the requirements to furnish a one (1) year performance bond be waived. (February 24, 1966)

11

Route 35 (1953), Section 13B

Middlesex Concrete Products & Excavating Corporation, Foot of Berry Street, Woodbridge, New Jersey, contractor for the construction of project on Route 35(1953), Section 13B, Non-federal, From the New Jersey Turnpike to Church Street, Widening, Resurfacing and Bridge Widening, Township of Woodbridge, Middlesex County, have satisfactorily completed the BRIDGE WORK as of August 20, 1965.

It is thereby recommended that the BRIDGE WORK be finally accepted and 100% payment authorized. (February 24, 1966)

12

Route 46 (1953), Section 5A

Sam Braen Construction Company, Wyckoff, New Jersey, completed all road work on their contract for Route 46(1953), Section 5A, on November 30, 1964.

By Commission Action dated March 3, 1965, the project was semi-finally accepted and a semi-final payment authorized withholding 2% of the value of the completed work pending receipt and disposition of pavement records and the completion of minor corrective work.

The project has now been inspected and found satisfactory for final acceptance.

It is recommended that the project be finally accepted and that a further semi-final payment be authorized in accordance with the As-Built Quantities withholding the sum of $20,000 representing the approximate value of the excess thickness of FA-BC pavement pending a more accurate determination thereof, and the satisfactory completion of minor corrective work.

It is further recommended that no additional performance bond be required for this semi-final payment.

These recommendations apply only to road work. (February 24, 1966)

13

The project has been inspected and found satisfactory for final acceptance.

It is recommended that the project be finally accepted and that a semi-final payment be authorized withholding 2% of the value of the completed work pending receipt and disposition of the bituminous pavement reports and the compilation of the As-Built Quantities.

This recommendation applies to road work only. (February 25, 1966)

15

Route 280, Section 6C

Franklin Contracting Company, Little Falls, New Jersey, have completed all road work on their contract for Route 280, Section 6C, Federal Project No. NJ-I-280-6(13)58 on June 12, 1965.

The project has been inspected and found satisfactory for final acceptance.

It is recommended that the project be finally accepted and that a semi-final payment be authorized withholding 2% of the value of the completed work and also deducting the sum of $390.53 representing the estimated value of thickness deficiencies in the bituminous pavement pending receipt of the As-Built Quantities.

It is further recommended that final payment be authorized in accordance with the As-Built Quantities when received without further Commission Action maintaining the deduction of $390.53 for bituminous pavement thickness deficiencies.

This recommendation applies to road work only. (February 25, 1966)

16

### Right of Way-Route 280

There is presented again the matter of acquisition of property on Route 280, Section 6, Project I-280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 304, Ethel Nora Collins, widow. Condemnation proceedings were previously authorized, at which time the owner was demanding $18,000. which was considered excessive.

Continued negotiations have resulted in the execution of an agreement in the sum of $15,000., including a down payment of $3,750. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued.

It is further recommended that authority be granted to dispose of the three-story frame dwelling and two-car garage to the road contractor by public auction or by sealed bids. (February 28, 1966)

69

### Right of Way-Route U.S. 9

There is presented again the matter of condemnation of property on Route U.S. 9, Section 24, Project F 181-(11), From Gordons Corner to Route 18, Parcel 13, Frederick Daniel.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $700. No testimony was presented on behalf of the owner. The Commissioners made an award in the sum of $700.

It is recommended that this award be approved. (February 23, 1966)

70

### Right of Way-Route 36 (1953)

There is presented again the matter of condemnation of property on Route 36, Section 3, Project U-111-(11), From N.A.D. R.R. and Highway to Highland Beach, Parcel 45, Peter LaMonte andwife, et als.

An appeal was previously authorized from a consent award in the sum of $18,500. This consent award was subsequently appealed to protect the State's interest.

Subsequently, supplemental documentation was secured which indicates that it is unlikely that an appeal would result in a substantial reduction of the award. (cont'd)

The matter is therefore presented for the commissioner's consideration; and upon the granting of the authority to pay the award in the sum of $18,500 without interest; that authority also be granted to discontinue the appeal. (February 24, 1966)

71

## SCHEDULE OF APPROVALS - MARCH 7, 1966

### Administrative Items

1

**Agreements-Union County Vocational School, Employees Education**

Attached contract in triplicate covers agreement between Union County Vocational-Technical Schools, State Department of Education, and State Highway Department for education of thirty two of our employees, in Highway Technology, for the second semester of the school year 1965-1966, at a cost of $762.00 to the Highway Department.

This is the second agreement with Union County for this school year, the first having covered the first semester. The two other schools involved in this program, Trenton and Camden Vocational High Schools, elected to prepare one agreement for the whole school year 1965-1966. We did not contest these varying school policies as we could see no benefit to be gained.

As you know, the purpose of this training program is to provide a supply of sufficiently trained highway technicians to assume future entrance-level engineering positions that cannot be filled through regular recruitment efforts simply due to the lack of students being graduated as Civil Engineers.

Contract has been checked by our Division of Legal Services. Recommend signature of Commissioner Palmer. (March 2, 1966)

2

**Highway Training Program**

Request the transfer of $42,000 to the 612-100-365 and 610-100-365 accounts in the amounts of $33,000 and $9,000 respectively. The funds in the 612 account are to be used in the following manner: $3,000 for miscellaneous engineering training, i.e., special refresher courses (such as Radiographic Interpretation and InfraRed Spectroscopy Courses). The remaining $30,000 is needed for the Basic Right of Way Negotiators Schools, Appraisal Schools, and Advanced Appraisal Schools, plus project supervisor management training and executive management training. The $9,000 in the 610 account is needed to replace funds transferred from that account to accommodate Right of Way Training that has previously been done this year. These funds will be obligated for basic management training, special skills courses such as statistics, budget and procedure seminars, and American Management Association Seminars. (March 4, 1966)

### Design Items

3

**Route 29, Section 12**

It is recommended that the attached modified project agreement in duplicate be approved and executed for the construction of Highway Lighting:

The revised total estimate cost is $43,697.43 of which $21,848.71 will be Urban funds.

This modification will provide an additional $1,733.71 of Urban funds to cover full fifty percent (50%) Federal reimbursement in the final voucher at the Bureau of Public Roads. (March 3, 1966)

### General Property Parcel Map-Route U.S. 9 (1953), Section 19

4 Approval is recommended of the attached print of the General Property Parcel Map for Route U.S. 9 (1953) Section 19, from West Creek to Route 72, Ocean County, in order that the necessary duplicate tracing and linen print may be prepared for filing in Ocean County. (March 3, 1966)

### Determination & Order-Route 27, Metuchen

5 Approval and execution is recommended of the attached Determination and Order releasing to the present owner of fee those slope rights on Route 27 near Prospect Street, Metuchen, New Jersey which slope easements are no longer necessary for State purposes. (March 2, 1966)

### Jurisdiction, Control & Maintenance Route 44 Freeway, Section 15

6 Approval and execution is recommended of the attached Agreement dated March 1, 1966 between the Township of East Greenwich and the State of New Jersey covering understandings in connection with the apportionment of jurisdiction, control, and maintenance in connection with improvement of Route 44 Freeway, Section 15 in the vicinity of Swedesboro Avenue and Harmony Road, Townships of Greenwich and East Greenwich, Gloucester County. (March 3, 1966)

### Utilities-Township of Bernards, Somerset Co. - Route 287, Section 6F & 7B

7 Approval and execution is recommended of the attached Agreement number PUA-96B-287-6F and 7B; NJ-I-287-2(11)24 dated February 23, 1966 between the Township of Bernards Sewerage Authority and the State of New Jersey covering understandings in connection with the State's construction of Freeway Interstate 287, Section 6F and 7B, through an area where a component of the Authority's future sanitary sewer system will cross the Freeway, in the Township of Bernards, County of Somerset.

In accordance with its policy the State will include in its contract the installation of the municipally-owned future facilities in conjunction with Freeway construction when it is considered as being beneficial to the State and the municipality, providing the governmental agency furnishes the necessary pipe materials. Construction Program Year 1963-64, Item Number 22. (March 4, 1966)

### Route 295, Section 2J

8 During the State's construction of Route 295, Section 2J a well on property owned by Michael J. Riley was damaged. The Department's responsibility has been determined in this case and we have agreed to replace the said well under existing statutes. The Artesian Well Drilling Company was by letter dated December 22, 1965 authorized to proceed with the work. It is recommended that an amount of $1328.81 be set up to pay the attached invoice submitted by the Artesian Well Drilling Company for the performance of this work. Construction Program Year 1963-64, Item Number 23. (March 4, 1966)

Construction Program Year 1965-66, Item Number 49. (March 3, 1966)

### Route U.S. 22, Section 11D

13 Approval is recommended in making award of contract to Dayton Constructors for the construction of a Turnaround, on Route U.S. 22, Section 11D, in the vicinity of Station 192+00, in the Borough of North Plainfield, Somerset County at their bid, the lowest of nine bids received on February 17, 1966 in the amount of $34,839.65. (March 2, 1966)

### Route U.S. 30, Section 5B & Route U.S. 9, Section 13B

14 Approval is recommended in making award of contract to Stavola Contracting Company, Inc. for the drainage improvements on Route U.S. 30 Section 5B and Route U.S. 9 Section 13 B in the cities of Absecon and Pleasantville, Atlantic County, at their bid, the lowest of nine bids received on February 17, 1966 in the amount of $88,347.88. (March 2, 1966)

### Route 80, Section 4AB

15 Approval is recommended in making award of contract to Diversified Construction Company, Inc. for the construction of a Pedestrian Bridge on Route 80, Section 4AB at Pennsylvania Avenue and Incidental Work, City of Paterson, Passaic County, at their bid, the lowest of nine bids received on February 17, 1966 in the amount of $72,854.80. (March 2, 1966)

16 Route 38 (1953), Section 1C

Union Paving Company, Wynnewood, Pennsylvania, completed all road work on their contract for Route 38(1953), Section 1C, Federal Project No. U-106(10), on January 15, 1965. By Commission Action of March 24, 1965, the project was semi-finally accepted and semi-final payment authorized withholding 1% of the value of the completed work pending receipt and disposition of all outstanding bituminous and Portland Cement pavement reports and records, and certification of As-Built Quantities.

The project has been inspected and found satisfactory for final acceptance.

It is recommended that the project be finally accepted and final payment authorized in accordance with the As-Built Quantities deducting the sum of $8,721.89 representing bituminous concrete pavement thickness excess and deficiencies of $8,596.34 and $125.55 for concrete base course poured in violation of the specifications.

It is further recommended that the requirements to furnish a one (1) year performance bond be waived since the project has been fully open to traffic for a period of over one (1) year.

This recommendation applies to road work only. (March 3, 1966)

17 Route 42, Sections 14J & 15F

South Jersey Construction Company, Riverside, New Jersey, completed all work on their contract for Route 42, Sections 14J & 15F, Federal Project No. F-193(12), on August 30, 1965.

The project has been inspected and found satisfactory for final acceptance.

It is recommended that the project be finally accepted and final payment authorized in accordance with As-Built Quantities when received, deducting the sum of $6,000 representing liquidated damages for sixty (60) calendar days from July 1, 1965 to August 30, 1965, charged at the rate of $100.00 per day. (March 3, 1966)

18 Route 78, Section 2J

Yonkers Contracting Company, Inc., New York, substantially completed all work on their contract for Route 78, Section 2J, Federal Project No. NJ-I-78-2(22)10, on November 2, 1962. By Commission Action dated September 10, 1965, the project was finally accepted and a semi-final payment authorized withholding liquidated damages in the amount of $27,234.61.

Change Order #13 granting an extension of time of forty (40) working days has been revised to present in more detail the reasons for the extension of time. The Bureau of Public Roads has concurred in granting an extension in the amount of thirty-five (35) working days, leaving eleven (11) calendar days of liquidated damages that are non-participating or in the sum of 90% of $4,680.95. It is the considered opinion of the Construction Division that the forty (40) working day extension is warranted for reasons acceptable under the specifications.

There is also an outstanding sum of $1,386.65 due eleven (11) former employees of C. E. Pontz and Sons, Inc., a subcontractor on the project.

It is recommended that final payment be authorized in accordance with the As-Built Quantities deducting therefrom the sum of $1,386.65 representing the amount due eleven (11) former employees of C. E. Pontz and Sons, Inc., the subcontractor on the project. Said amount or any portion thereof, to be returnable to the contractor upon satisfactory documentation that reimbursement of unpaid wages has been made to former employees. (March 3, 1966)

19 Route U.S. 202 (1953), Section 6A &
Rt. 69 & U.S. 202 (1953), Sec. 1B

Geo. M. Brewster & Son, Inc., Bogota, New Jersey, have substantially completed all road work on their contract for Route U.S. 202(1953), Section 6A and Route 69 & U.S. 202(1953), Section 1B, Federal Project Nos. F-99(7) and F-83(18), on November 19, 1965.

The project has been inspected and found satisfactory for semi-final acceptance subject to final clean-up.

It is recommended that the project be semi-finally accepted and that a semi-final payment be authorized withholding 1% of the value of the completed work pending final clean-up, receipt and disposition of bituminous concrete pavement records and receipt of As-Built Quantities, and withholding the sum of $3,360.00 representing liquidated damages for twelve (12) working days at the rate of $280.00 per day from November 3, to November 19, 1965, pending review of a request for a time extension.

This recommendation applies to road work only. (March 3, 1966)

## SCHEDULE OF APPROVALS - MARCH 14, 1966

### Administrative Item

1 Route U.S. 322, Sections 11A & 3B

George Slade, Inc. went into bankruptcy before final payment could be made of their contract for Route U.S. 322(1953), Sections 11A & 3B, Federal Project F-105(14), which was finally accepted and had final payment authorized by Action of the Commissioner dated June 5, 1963. Final payment has been withheld pending determination of proper payee and evidence of disposition of seven claims outstanding of record amounting to $202,037.77.

The Pacific National Insurance Company, which bonded the contract under its former corporate title of Pacific National Fire Insurance Company, advises by attached letter dated February 21 that the claims have been paid and requests payment to them of the balance of $19,179.48 due on final estimate. The attorney for the Trustee in the estate of George Slade, Inc., Bankrupt, who previously requested payment to the Trustee, advises by attached letter dated March 3 in response to inquiry that the Trustee has no further claim in the balance due.

Authorization is recommended to make final payment to the Pacific National Insurance Company upon their furnishing copies of releases of the claims, and to waive the specified final guaranty bond. (March 10, 1966)

## SCHEDULE OF APPROVALS - MARCH 21, 1966

### Administrative Items

Claims-Settlements

1 On December 21, 1964, Benjamin Reggo, State Highway Truck Driver assigned to the Division of Maintenance & Operations, was involved in an accident while operating State Highway Department truck bearing Reg. HYE 136 with a vehicle owned by Louis DeSalvo, operated by Richard DeSalvo. As the result of said accident, Benjamin Reggo, sustained personal injuries requiring the State Highway Department to expend the sum of $2,468.91 for compensation payments and medical services rendered. The Highway Department's lien is made up as follows:

| | |
|---|---|
| Temporary Compensation, 10 2/7 weeks at $45.00 | - $ 462.86 |
| Medical Services Rendered | - 246.05 |
| Permanent Compensation as per Formal Hearing | - 1,760.00 |

This employee engaged the services of an attorney who instituted a suit against the third party. A settlement conference was recently held before Judge Artaserse and the attorney representing Benjamin Reggo has tentatively agreed to settle the case for $3,500 provided we accepted a compromised settlement of our lien. I am attaching hereto letter received from Charles M. James, Esq. with reference to the proposed offer of settlement which is self-explanatory. In the event the proposed offer of settlement is not approved and the case goes to actual trial resulting in a full reimbursement to the State for its previous expenditure, the Highway Department would actually receive the sum of $1,445.95 after deducting the statutory allowances toward counsel fees and expenses of suit. By accepting the proposed offer of settlement in the amount of $1,250 net, the State would actually be waiving the sum of $195.94 as against a full recovery. Giving due consideration to the contents of Mr. James' letter, it is our opinion that the offer of $1,250 is fair and reasonable, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General William J. McCormack, it is our recommendation that offer of settlement receive favorable consideration. (March 18, 1966)

### Design Items

2 Project Agreements-Route 20 Freeway, Section 2 & Route U.S. 43

It is recommended that the attached project agreement in duplicate be approved and executed for Rights of Way:

The total estimated cost is $1,850,000.00. Fifty percent (50%) of the balance or $925,000.00 is Federal Urban funds.

This project agreement is necessary to acquire the necessary rights of way for construction within the subject termini. (March 17, 1966)

### Jurisdictional Agreement, Holmdel Twp. Monmouth County

3 Approval and execution is recommended of the attached Agreement dated March 18, 1966 between the County of Monmouth and the State of New Jersey covering understandings in connection with the apportionment of jurisdiction, control and maintenance in connection with the improvement of Laurel Avenue relative to the State's construction of Route 35, Section 9B, Township of Holmdel, Monmouth County. (March 21, 1966)

### Services-Enginering, Parsons, Brinckerhoff, Quade & Douglas, Route 18

4 The Middlesex County officials requested that the alignment for Route 18 follow the general alignment of "Metlar's Lane." Our consultant, Parsons, Brinckerhoff, Quade & Douglas, was authorized to include this alignment as part of the preliminary studies required in our Agreement dated December 31, 1962. This work was to be expedited since the Department is presently preparing contract plans in the vicinity of the Raritan River, that utilizes the Metlar's Lane alignment.

Reimbursement is to be provided at the classified rate plus a lump sum of $2,850, limited to a ceiling of $6,750. It is, therefore, recommended that this total be set up. (March 18, 1966)

### Services-Engineering, DeLeuw, Cather & Company

5 The Department has requested the Consultant, DeLeuw, Cather & Company, on Soils Boring Contract "A," in accordance with our Agreement for Route 23 dated February 13, 1962, to provide field supervision due to lack of our own personnel to perform this work.

Reimbursement is to be provided at salaries times two. It is estimated that this work will cost $15,000 and it is recommended that this amount be set up.

The fee for this contract is presently under renegotiation, but any readjustment will not be affected by this Change Order. (March 16, 1966)

### Services-Engineering, Howard, Needles, Tammen & Bergendoff

6 In order to update the general property parcel maps prepared by Howard, Needles, Tammen & Bergendoff for services in connection with our Agreement for Route 24 dated March 20, 1959, the Department authorized additional work consisting of a new search of parcels not yet acquired, inspection of sites for additional improvements, and a revision to parcel and tract maps to reflect changes in ownership.

It is estimated that this work will cost $15,000 at salaries times two.

In order to mitigate damages to the remainder of Parcel 30, the consultant was authorized to prepare construction plans for Alton Drive as an excess road. It is estimated that this work will cost $3,600.

To provide for contingencies, it is recommended that $20,000 be set up to cover the aforementioned items. (March 16, 1966)

### Services-Engineering-Howard, Needles, Tammen &

7 After the plans were developed for a portion of Route 35 as covered in our Agreement with Howard, Needles, Tammen & Bergendoff dated December 30, 1963, the Department requested an upgrading of the typical section, profile and superelevation of horizontal curves, which resulted in the consultant preparing either fee or easement documents for the project.

This work is estimated to cost $28,500 and it is recommended that $30,000 be set up to cover any unforeseeable contingencies. March 16, 1966)

Engineering Services-Boswell Engineering Company

8 It is recommended that an additional $50,000.00 be set up to cover various field engineering services relative to the proposed construction of Routes 80, 95 and others being provided by the Boswell Engineering Company under the terms of our Agreement dated June 25, 1962. (March 17, 1966)

There is presented again the matter of acquisition of property on Route U.S. 1 (1953) Section 8, Project U 95-(45), Main Street to Raritan River, Parcel 15, Seaway, Inc.

On June 30, 1964, the State Highway Commissioner authorized the payment of a Commissioners' award in the sum of $24,000.

The Attorney General's Office has reported that the New Jersey Supreme Court has held that the Highway Department must pay interest from the date of entry on Commission Awards.

On the Basis of the Attorney General's report, the matter is submitted for the Commissioner's consideration with a request that authority be granted to pay interest on $24,000. at the rate of 6% per annum from June 15, 1962, the date of entry, to January 22, 1965, the date of the payment of the award. (March 16, 1966)

118

Right of Way-Route 3

There is presented again the matter of condemnation of property on Route 3, Section 1, Project U-116-(5), From 8th Street to Route 20, Parcels R13A, 2R13B and 13D, Baris Lumber Company. An appeal was previously authorized from a condemnation commissioners' award in the sum of $23,000.

Before this case came to trial, a settlement became possible and a Consent Judgment has been entered in the sum of $12,500., plus interest at the rate of 6% per annum from January 25, 1966.

It is recommended that this Consent Judgment in the sum of $12,500., plus interest at the rate of 6% per annum from January 25, 1966to date of payment be approved. (March 18, 1966)

119

Right of Way-Route 3

There is presented again the matter of condemnation of property on Route 3, Section 1, Project U 116-(5), From 8th Street to Route 20, Baris Lumber Company, Parcel R13C.

At the hearing before condemnation commissioners, the testimony on behalf of the owner was in the sum of $74,000; and the testimony on behalf of the State was in the sum of $1,700. The Commissioners made an award in the sum of $2,900. An appeal was authorized from this award.

Prior to the trial before a Jury, the maps were revised to include a denial of access to Route 3, which resulted in re-establishing the fair market value in the sum of $22,200. Interest at the rate of 6% per annum from September 2, 1962, the date of possession, to January 25, 1966 amounts to approximately $4,500. Based on the foregoing, an award was entered by the Court as a Consent Judgment on January 25, 1966 in the sum of $27,500 plus interest from the date of Judgment.

It is recommended that the Consent Judgment in the sum of $27,500 be approved, plus interest from the date of Judgment to the date of payment, and that the action previously authorizing the appeal be rescinded. (March 18, 1966)

120

Right of Way-Route 18

There is presented again the matter of condemnation of property on Route 18 (1953) Section 6, Project U 112-(18), Tanners Corner to Old Bridge Traffic Circle, Parcel 37, Ralph Cost and Mildred Cost, h/w and John W. Ayers and Virginia Ayers, h/w. Condemnation proceedings were instituted as the owners' demand of $4,000 was considered to be excessive.

At the hearing before Condemnation Commissioners on February 24, 1966, the Trial Attorney consented to the entry of a Judgment in the sum of $2,300 based upon the fair market value of $1,900 plus interest from the date of entry, March 16, 1963 at the rate of 6% which amounts to $335.00.

It is recommended that the Consent Judgment in the sum of $2,300 be approved. (March 18, 1966)

121

Right of Way-Route 23

There is presented again the matter of acquisition of property on Route 23 (1953) Section 3, Black Oak Ridge Road to Smith Mills, Parcel 4, Abraham DeCraw and wife. An appeal was previously authorized from a condemnation commissioners' award in the sum of $20,500.

Prior to the date set for trial, the fair market value was re-registered in the sum of $19,600. At the trial, the Trial Attorney settled the case for the sum of $22,500. This was based on the fair market value of $19,600 plus interest at the rate of 6% per annum from the date of entry, March 7, 1963 to October 6, 1965.

This matter is submitted for the Commissioner's consideration and if approved, it is recommended that the appeal previously authorized be discontinued. (March 18, 1966)

122 Right of Way-Route 34

There is presented again the matter of condemnation of property on Route 34, Section 2, Project F 132-(6), From Route 38 to Route 33, Parcel R-7, Michael J. Stavola, Inc.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $3,270 and the testimony on behalf of the owner ranged from $13,174.50 to $14,742.50. The Commissioners made an award in the sum of $15,500., which award was appealed.

At the trial before a Judge and Jury, the testimony on behalf of the owner ranged from $15,000 to $16,000. During the course of the trial, the owner accepted the State's offer of $6,000 which included interest from March, 1962 to the date of Judgment, February 15, 1966.

It is recommended that this Judgment be approved. (March 15, 1966)

123 Right of Way-Route 35 Freeway

There is presented again the matter of acquisition of property on Route 35 Freeway, Section 1, Project F-207-(2), Atlantic Avenue to Shark River, Parcel 68, Charles H. Palmer and wife.

At the hearing before condemnation commissioners, no expert testimony as to value was presented on behalf of the owner. The testimony on behalf of the State was in the sum of $1,500. The Commissioners made an award in the sum of $2,000.

The Attorney General's office has recommended that this award be approved. On the basis of the Attorney General's report the matter is therefore submitted for the Commissioner's Consideration with a request that authority be granted to pay the award of $2,000.00. (March 18, 1966)

124 Right of Way-Route 35 Freeway

There is presented again the matter of acquisition of property on Route 35 Freeway, Section 2, Project F 207-(3), Shark River to Poplar Road, Parcel 9, Harry Foster et als. An appeal was previously authorized from a condemnation commissioners' award in the sum of $16,000.

Prior to the trial before a Jury, another fee appraisal was obtained which resulted in re-establishing the fair market value in the sum of $14,000.00. An administrative settlement was recommended by the Trial Attorney in the sum of $15,000. In view of this recommendation and the fact that the settlement would not be substantially in excess of the fair market value determination, an agreement in the amount of $15,000 including a down payment of $3,700 has been obtained from the owner.

It is recommended that this agreement be approved and that the appeal previously authorized be discontinued.

Authority is requested to dispose of the two story block and frame garage and apartment to the road contractor, by public auction or by sealed bids. (March 15, 1966)

125

Right of Way-Route 36 —

There is presented again the matter of condemnation of property on Route 36, Section 3, Project U 111-(11), From N.A.D. R.R. and Highway to Highland Beach, Parcel 45, Peter LaMonte and wife, et als.

Previously, authority was granted for the payment of a consent award in the sum of $18,500 without interest. Subsequent thereto on the return date of a Motion to Enforce the Consent Award, the Trial Attorney consented to the entry of a Judgment in the sum of $19,123.42. This represents the Consent Award of $18,500 plus interest at the rate of 6% per annum from the date of entry, August 4, 1965, which interest was computed to be $623.42.

The matter is therefore presented for the Commissioner's consideration and upon the granting of the authority to pay the award in the sum of $19,123.42 without interest, that the previous authority to pay the award of $18,500 be rescinded. (March 16, 1966)

126

Easements for a detour road were acquired under Parcels R-2 and R-3, Route 95, Sectio 1B, through lands of Edward Young and Wife and provided as follows:

"And also the right to construct and maintain a temporary road, utility facilities and appurtenances at the location shown on the aforesaid map for use during construct of the bridges and highway. Said right to terminate when the new bridges and highway are completed and open for traffic, at which time the property will be restored to substantially the same condition that prevailed before the work started."

After acquisition of said easements, the property was transferred to Mr. Philip J. Sapienza.

The temporary detour was removed, but the remaining provisions of the agreement were not accomplished. Subsequently, the owner performed the necessary work at his expense and has requested reimbursement for the respective costs as provided in the Right-of-Way Agreement.

The estimated cost of replacement landscape work and driveway reconstruction is $299.50 based upon unit prices included in the contract (namely as listed herein) and is considered to be a responsibility of the Department.

15 Agreements-Disposition of Excavated Materials, Maint. Site, Yellow Frame

Presented herewith are three agreements: (1) for excavation of materials on the property of Mrs. May Lauer, R.D. #2 Newton, Frelinghuysen Township, New Jersey; (2) for the disposition of excavated materials, without cost or future recourse to State, on property of Mrs. Sally Hess, of R.D. #2 Newton, Frelinghuysen Township, New Jersey and (3) for alternate disposition of excavated materials, without cost or future recourse to State on property of Fred Fissler of R.D. #2 Newton, Frelinghuysen Township, New Jersey. (cont'd)

Agreement (1) pertains to the location of our formerly leased maintenance site at Yellow Frame. The soil became contaminated with chlorides due to open storage of winter materials. Seepage into the underlying rock formation has affected the adjoining well of the Frelinghuysen Township School.

To arrest further contamination of underground water supplies, and also to return the Lauer property to the condition that existed prior to our occupancy, removal of this material is necessary.

We are requesting and recommending that the agreements be approved. (March 25, 1966)

STATE OF NEW JERSEY
STATE HIGHWAY DEPARTMENT
TRENTON

## SCHEDULE OF APPROVALS - APRIL 12, 1966

### Administrative Items

#### Reimbursement-Car Mileage

1 On or about August 5, 1965, the State Highway Department's procedures with respect to payment of personal car mileage reimbursement were substantially revised. As the result of extensive discussions with the office of the Attorney General and the State Budget Bureau, a further revision was necessary as of February 1, 1966 to conform with an alteration in the State Travel Regulations promulgated by the Bureau of the Budget as of January 1, 1966. Due to technological difficulties of Administration, it has been determined that those employees shown on the attached list, "PR22 Mileage Reimbursement", prepared by the Division of Auditing and Accounting, should be reimbursed in the amounts shown opposite each name on the aforementioned list. This procedure is in accordance with a program advanced by the State Highway Commissioner and verbally approved by the Governor.

It is recommended that authority be granted for the payments as shown on the said "PR22 Mileage Reimbursement" to be charged against the Budget Accounts as shown in the said report; the total amount of the payment authorized being $18,140.89. (April 6, 1966)

Holland-Lincoln Tunnel Connectors
Agreements-Hardesty & Hanover ✓

7 Due to the pressure of Departmental work, our forces were unable to obtain traffic counts for use on the Holland-Lincoln Tunnel and George Washington Bridge Connectors, which were needed to develop alignments as defined in our Agreement with Hardesty and Hanover dated April 21, 1965.

The consultant was instructed to provide the necessary traffic data as extra work, since it was outside the purview of the Agreement. The consultant was also authorized to obtain these services on a force account basis from Wilbur Smith and Associates.

Reimbursement is to be provided to Hardesty and Hanover on the basis of a receipted invoice from Wilbur Smith and Associates.

This work will cost approximately $14,200, and it is recommended that this amount be set up. This will increase the ceiling by this amount. (April 21, 1966)

Services-Engineering, Hardy & Hanover
Lincoln Tunnel Approach ✓

8 In order to evaluate the existing structural capabilities of the Route 3 Viaduct, North Bergen, New Jersey, it is necessary to perform an inspection similar to that recently performed on the 12th Street Viaduct in Jersey City. Due to the pressure of other work our forces are not able to make this investigation. Hardesty & Hanover has, therefore, been requested to perform these services as additional work in their agreement for the Lincoln Tunnel Approach, etc. dated April 21, 1965.

To provide compensation for the aforementioned, the following adjustments are necessary under Part SECOND, Paragraph (a):

| | | |
|---|---|---|
| Item 1. | - Salaries | From $135,000 to $150,000 |
| Item 4. | - Prints | From $ 4,000 to $ 5,500 |
| Item 7. | - Subcontract | From $ 25,000 to $ 45,000 |

TOTAL INCREASE - $36,500

It is recommended that this additional amount of $36,500 be set up.
(April 21, 1966)

✓
Services-Engineering, Howard, Needles,
Tammen & Bergendoff, Route 24

9 Due to the elapsed length of time since the completion of the Route 24 Freeway, right-of-way plans, it is considered advantageous to update the information presented in these plans and to prepare a point-to-point demolition contract so the buildings may be demolished as soon as they have been acquired.

To cover these additional services, an estimated $25,000 is necessary. To allow for any contingencies, it is recommended that $30,000 be set up.
(April 21, 1966)

## SCHEDULE OF APPROVALS - MAY 6, 1966

### Administrative Items

Claims - Settlement ✓

This claim arises out of damage to guard rails caused by a vehicle owned and operated by Gerald H. Jacobs on U. S. Route 17, near the intersection of Airmount Road in Ramsey, New Jersey. Said accident occurred on August 30, 1964 and resulted in $174.24 damage.

Investigation by the Claims Bureau disclosed that Mr. Jacobs was driving his vehicle south on Route 17 in the slow lane when he was struck in the driver's side by an unknown vehicle and was pushed off the road into the guard rails. Further investigation through the police department that investigated the accident showed that there was damage to the front right side and also damage to the left side where the unknown vehicle struck Mr. Jacobs.

The Public Service Mutual Insurance Company insured Mr. Jacobs and upon contacting them, they refused to honor this claim stating that the unknown vehicle which struck their insured was the proximate cause of the accident. The Claims Bureau, through their negotations with the insurance company, was offered $100.00 to settle this amount. Further discussion with the police officer who investigation the accident, revealed that Mr. Jacobs' vehicle, had indeed, been struck prior to damaging the guard rails. The Claims Bureau again contacted the insurance company and was able to receive a settlement of offer in the amount of $130.00, or $44.24 less than the full claim.

In view of the foregoing, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that this claim against Gerald H. Jacobs receive favorable consideration. (May 6, 1966)

There is presented an application for a Riparian Grant required from the Department of Conservation and Economic Development on Route 440 Freeway, Section 2, Terminal Points Bayonne Bridge to Route U.S. 1 & 9, Parcels T1A, T1B and T1C.

It is recommended that this application be executed by the Commissioner so that the same can be formally presented to the Department of Conservation and Economic Development. (May 6, 1966)

93

Right of Way - Route 23

There is presented again the matter of acquisition of property on Route 23, Section 5, Project F-46-(45), Canistear Road To Union Valley Road, Parcel 12B, May Diedrichs, married. Condemnation proceedings were previously authorized at which time owner would not state demand.

Continued negotiations have resulted in the execution of an agreement in the sum of $9,900. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. The one-story frame building was demolished by the contractor in the performance of his contract on January 23, 1964. (May 4, 1966)

94

Right of Way - Route 36 (1953)

There is again presented the matter of acquisition of property on Route 36 (1953) Section 1, Project U-111-(5), From Route 35 to Palmer Avenue, Parcel 122, Philip Mancini, et ux. Condemnation proceedings were previously authorized at which time the owner's demand of $4,000. was considered excessive.

Continued negotiations have resulted in the execution of an agreement in the amount of $3,000. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (May 3, 1966)

Right of Way - Route 78

95 There is presented again the matter of acquisition of property on Route 78, Section 5D, Project I-78-5-(3), From Springfield Avenue to Garden State Parkway, Parcel 125, D. Schneider. Condemnation proceedings were previously authorized at which time the owner demanded $25,500.

Continued negotiations have resulted in the execution of an agreement in the sum of $23,500. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. It is further recommended that authority be granted to dispose of the 1-1/2 story frame dwelling and detached garage to the road contractor, by public auction or by sealed bids. (May 6, 1966)

96

Right of Way - Route FAI 108-2-(5)

There is presented again the matter of acquisition of property on Route FAI 108-2-(5), AKA 295-2-(5), From Warwick Road to Route 73, Parcel 2R150, Frederick L. Harley & Isreal Prusky (Reliable Motors Co. of Philadelphia). An appeal was previously authorized from a condemnation commissioners' award in the sum of $100,500.

Prior to the trial, the owners entered into an agreement in the amount of $95,600. It is therefore recommended that this agreement be approved and that the appeal previously authorized be discontinued. (May 3, 1966)

97

Right of Way - Route 202 & 69

There is presented again the matter of acquisition of property on Route 202 & 69, Section 2, Project F-83-(12), Conover Road to Flemington Circle, Parcels 1A, R1B, Anna Oraschin, widow.

Condemnation proceedings were previously authorized for Parcel 1A on January 8, 1965 and for Parcel R1B on December 24, 1964, at which time the owner's demand was considered excessive. Continued negotiations have resulted in the execution of an agreement in the sum of $12,450. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. (May 3, 1966)

Right of Way - Route 78

98 There is presented again the matter of condemnation of property on Route 78, Section 5A, Project I 78-5-(11) Shunpike Road to Main Street, Springfield, Parcel R185, Mary DeBerjiois, widow. Payment of a consent judgment in the amount of $27,350. was previously authorized.

The Attorney General's office now states that interest is to be paid on this judgment from December 15, 1965, date of entry, to April 25, 1966, date of payment. It is recommended that payment of such interest be authorized. (May 2, 1966)

Right of Way - Route 80

99 There is presented again the matter of condemnation of property on Route 80, Section 4E, Project I-80-4-(10), Two Bridges Road to Glover Avenue, Parcel 22, Tidewater Oil Company. Condemnation proceedings were previously authorized since the owners refused the State's offer of $40,300 and would not make a demand.

Subsequent thereto another non-departmental appraisal was secured and upon further review the fair market value was re-registered in the sum of $47,500. At the hearing negotiations by the trial attorney achieved a consent award in the sum of $47,500 with interest at a rate to be determined by the Court from the date of taking. (cont'd)

It is recommended that this commissioners' award be approved. Further authority is requested to withdraw $40,300 from the Superior Court deposited in order to make payment to the owner. (May 6, 1966)

100 Right of Way - Rt. FAI 108-2-(6)

There is presented again the matter of condemnation of lands on Route FAI 108-2-(6), Also Known As 295-2-(6), Route 73 to Marne Highway, Parcel 13, Dorothea G. Neuber, et al.

An appeal was previously authorized from a condemnation commissioners' award in the sum of $12,000. Prior to the date set for trial, values of comparable land in the area reflected a marked increase in values and it would have been extremely doubtful if the State's testimony would result in a reduction of the award. Based on these facts, it is now recommended that authority be granted to pay the commissioners' award in the sum of $12,000 and to discontinue the appeal previously authorized. (May 6, 1966)

101 Right of Way - Route 280

There is presented again the matter of condemnation of property on Route 280, Section 4, Project I 280-6-(7), Prospect Avenue to Northfield Avenue, Parcel R3D, Eagle Ridge Realty Company. At the hearing before condemnation commissioners, this matter was tried in conjunction with Parcels R3A, R3B and 3C, Eagle Ridge Realty Company and Parcels 4A, R4B and 4C owned by Serena Merck. This was on order by the Court that the matter should be tried before the same condemnation commissioners since the owner contends that all the parcels are owned by the same interest.

The State's testimony for all the parcels was in the sum of $261,650 and the owner's testimony was in the sum of $1,275,500. The total award was $943,500 with the sum of $25,000 being allocated for Parcel R3D.

It is recommended that the award be appealed. (May 4, 1966)

102 Right of Way - Route 280

There is presented again the matter of condemnation of lands on Route 280, Section 4, Project I 280-6-(7), Prospect Avenue to Northfield Avenue, Parcel 4D, Serena S. Merck, widow.

At the hearing before condemnation commissioners, the trial attorney negotiated a settlement in the sum of $4,100 and a Consent Award was entered in this amount.

It is recommended that this award be approved with interest from the date of entry to the date of payment of the award. (May 4, 1966)

103 Right of Way - Route 280 (1953)

There is presented again the matter of condemnation of property on Route 280 (1953) Section 6, Project I 280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 23, Kate Bateman, widow; and Parcel 26, Kate Bateman, widow. Appeals were previously authorized from Condemnation Commissioners' awards in the sum of $29,000 for Parcel 23; and $32,500 for Parcel 26, the awards totalling $61,500.

Since the parcels are owned by the same person and are contiguous to each other, they were consolidated for trial on appeal. A Consent Judgment in the sum of $57,900 was entered by the Superior Court Judge on Motion by the Attorney for the owner and the Attorney for the State without costs and with interest as determined by the Court.

It is recommended that this Consent Judgment in the total sum of $57,900 be approved plus interest as determined by the Court. (May 3, 1966)

104 Right of Way - Route 15 ✓

There are presented report and appraisal with map and description on Route 15, Section 2, Project F-206-(5), Berkshire Valley Road to Morris-Sussex County Line, Parcels 46A, 46B & E46C, Henry Baker and William N. Baker (both deceased).

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The title is unmarketable.

Should, prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $350. (April 26, 1966)

105 Right of Way - Route 21 Freeway ✓

There are presented report and appraisal with map and description on Route 21 Freeway, Section 4, Project U-126-(18), From Route 3 To Monroe Street, Parcel 19G, City of Passaic.

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner would not state a monetary demand.

Should, prior to the ultimate fixing of compensation, any provision or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $250. Claims - Settlement ✓

This claim arises out of an automobile accident which occurred at the intersection of Route 17 and Ottawa Ave., Hasbrouck Heights, N. J. and involved a vehicle owned and operated by Thomas Drungell, 406 - 13th Ave., Scranton, Pennsylvania. As a result of this accident two sections of wooden guard rails were damaged and subsequently repaired at a cost of $185.37.

Investigation by the Claims Bureau disclosed that Mr. Drungell was uninsured at the time of the occurrence. The Hasbrouck Heights Police Department report describes this occurrence as "wooden guard rail posts pushed out of position" and indicates that Mr. Drungell stated to the investigating officer that he was cut off by an unidentified vehicle. No charges were preferred against the driver. A series of communications directed to the debtor since the time this accident occurred have been unanswered. Mr. Drungell has now advised the Claims Bureau that, although he does not have a steady job, he will make an offer of $150.00 in full settlement of this claim.

Giving due consideration to the circumstances under which the accident occurred, and the time and cost involved should we attempt to collect the full amount, either on the installment basis or by litigation in the civil courts, it is my opinion that the State would be justified in accepting the offer of settlement as indicated above.

It is my recommendation, therefore, that this offer of settlement receive favorable consideration and be approved in accordance with Mr. Levine's memorandum dated May 5, 1966, attached hereto, and the recommendation of Deputy Attorney General William J. McCormack. (May 11, 1966)

Claims - Settlement ✓

Reference is herewith made to an accident occurring on August 26, 1963 on Route 49, Millville, New Jersey involving a vehicle owned by Peter Ingraldi, operated by George Stichen, and a vehicle owned and operated by Joseph Brignola. As the result of the collision between these two vehicles, the Brignola vehicle was was hauling an oil trailer, overturned and burst into flames causing considerable damage to the main pavement, shoulder and sidewalk area. Necessary repairs to the roadway and adjacent area were completed by Maintenance Division forces at a total cost of $1,478.77.

We have recently been approached by the Great American Insurance Company, the insurance carrier for the Brignola vehicle, advising that a total of $22,000 in property damage claims have been filed against this accident and that there is only $15,000 in coverage. Further negotiations by the Claims Bureau has resulted in the insurance company offering to settle the State's claim for the sum of $1050.00 which settlement represents slightly above 70% of our claim. We have been advised by the carrier that they are making the same settlement proposition to the utility companies involved, as well as, the adjacent property owners who also suffered damage as the result of this accident. This office contacted the Bell Telephone Company who also has a claim against the vehicles involved in the neighborhood of $1000 and we have been advised by the Telephone Company that they were offered 70% of their claim, which amount they have accepted in full settlement of their claim.

The offer of $1050.00 to the State reimburses the State in full for all labor and material used in making necessary repairs. By accepting this figure we would actually be waiving our equipment charge, as well as, departmental overhead which in this case amounts to $134.43.

Giving due consideration to the circumstances involved in this case and also the cost involved in the event we instituted suit in order to attempt to recover the full amount of our claim, we feel the offer of settlement is fair and reasonable. It is our recommendation and in accordance with Mr. Levine's memorandum dated May 5, 1966, and the recommendation of Deputy Attorney General William J. McCormack that it receive favorable recommendation and be approved. (May 11, 1966)

Claims - Settlements ✓

This claim covers the cost of repairs to a Wayne Sweeper bearing Reg. No. HYA 291 which was damaged as a result of an accident occurring on October 6, 1961 on Route 63, Fairview, New Jersey. The other vehicle was owned by Olympia Transportation Company and operated by Harry Goldsmith. The cost of repairs to the damaged property was $66.09.

Investigation by the Claims Bureau disclosed that the State sweeper had been traveling along the gutter lane for approximately one mile before reaching the intersection where a left hand turn was to be made into Harding Place. The claimant, Mr. Goldsmith, was traveling in the right lane of travel, in the same direction as the sweeper, when the sweeper pulled to the left into the path of Mr. Goldsmith. The Traveler's Insurance Company, on June 15, 1962, denied any liability in this matter. The Claims Bureau continued to pursue a settlement and have now been able to get a fifty percent settlement, or $33.05.

Based upon the facts as stated, which would tend to show liability on the part of the State driver, and the cost of suit to collect such a small amount, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that this claim against Olympia Transportation Company in the amount of $33.05 receive favorable consideration. (May 9, 1966)

Claims - Settlement ✓

4 This claim arises out of an accident occurring on September 5,1964 on Route 70 and Cuthbert Road, Cherry Hill, New Jersey involving a vehicle owned by Margaret Witherow and operated by Robert F.Hoovan, Jr. As a result of the aforesaid accident State Highway Department owned traffic signals were damaged and had to be repaired at a cost of $484.34. The vehicle involved was not insured. Margaret Witherow, the owner of the vehicle contended that her brother, Robert F. Hoovan, Jr. was using her vehicle on his own business at the time this mishap occurred and, therefore, she did not think she was liable for the damages. The driver involved advised the Claims Bureau that he was a Private First Class in the Marine Corp stationed at Camp Lejeune, North Carolina and that he was married and his wife was expecting a child and he was financially unable to pay this claim.

After considerable correspondence with the Legal Assistance Officer for the Second Marine Division at Camp Lejeune, North Carolina, the said Legal Assistance Officer prevailed upon Private First Class Hoovan to borrow $250.00 to be offered to the State Highway Department in full settlement of his claim in this matter. This draft was forwarded to the Claims Bureau on May 3,1966 with the understanding that should this offer not be accepted by the proper officials of the State Highway Department it would be returned.

In view of the circumstances involved, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto and the recommendation of the Deputy Attorney General that Robert Hoovan's offer in the amount of $250.00 in full settlement of the State Highway Department's claim against him, in the amount of $484.34 be accepted and the balance of this claim in the amount of $234.34 be cancelled. 85

Right of Way - Route 36

There is presented again the matter of condemnation of property on Route 36, Section 2, Project U 111-(6), Palmer Avenue to N.A.D. R.R. and Highway, Parcels 95A & 95B, Charles Fossani and wife.

On April 21, 1966 the Commissioner approved the payment of a Judgment in the sum of $3,700.22. This represented a jury verdict in the sum of $3,500 plus interest at the rate of 6% from the date of entry, April 16, 1965 to the date of entry of Judgment.

Interest from the date of the entry of Judgment to the date of payment was inadvertently omitted in the commission action of April 21, 1966. It is therefore recommended that interest at the rate of 6% be paid on the Judgment of $3,700.22 from the date of entry of Judgment to the date of payment. (May 11, 1966)

At the hearing before condemnation commissioners, the testimony on behalf of the State ranged from $8,400 to $9,100; and the testimony which was presented on the owner's behalf was in the sum of $12,000. The commissioners made an award in the sum of $10,600.

It is recommended that an appeal be authorized. (May 11, 1966)

87

Right of Way - Route 280

There is presented again the matter of condemnation of property on Route 280, Section 6, Project I-280-6-(5), Kenilworth Place to Roseville Avenue, Parcel 94, William Hirsch, single. The Commissioner authorized the payment of an award in the sum of $27,000. on April 27, 1965.

Subsequently, the attorney for the owner made a motion before the court for interest on the condemnation Commissioners award from the date of possession, July 1, 1964, to the date of payment, December 7, 1965. The Deputy Attorney General consented to the payment of this interest, which amounts to $2,295; and the court so ordered.

This matter is therefore presented for the Commissioners consideration and on approval for the payment of the interest on order of the court in the sum of $2,295. (May 11, 1966)

101 **Right of Way - Route 78** ✓

There is presented a report concerning relocation payments to Henry Jeffers, who formerly occupied the premises located at 65 Hunt Avenue, Union, New Jersey, as a tenant, and incorrectly identified at Route 78, Section 5D, Parcel 52, in the name of Elizabeth Andrews.

Mr. Jeffers moved from these premises on March 26, 1966, since he had been notified that the property would be required for highway purposes. The notification was in error, and should have been sent to the occupant of Parcel 52, also owned by Elizabeth Andrews and located at 60 Atlanta Avenue, Union, New Jersey.

An invoice in the sum of $130 covering Mr. Jeffers' relocation costs, has been submitted and properly executed.

It is recommended that authority be granted to make payment in the sum of $130. (May 10, 1966)

## SCHEDULE OF APPROVALS - MAY 23, 1966

### Administrative Item

**Claims - Settlement**

1 This claim arises out of an accident which occurred on January 29, 1962 on the Hackensack River Bridge, US Rt. 1 and 9, Jersey City, New Jersey, and involved a vehicle owned and operated by Robert Jensen. As a result of this accident the bridge was damaged and Mr. Jensen was subsequently notified that the damages amounted to $1,094.62. At a later date it was discovered that there were additional charges of $388.70, making the total amount of this claim $1,406.99.

Investigation by the Claims Bureau disclosed that Mr. Jensen was uninsured and did not have a steady job. The Claims Bureau therefore negotiated a settlement with Mr. Jensen whereby he agreed to pay this claim by means of $15.00 monthly installments. The current balance is $896.16.

Mr. Jensen recently advised this office that he is a widower with two small children. The children are growing up and he now finds it necessary to have a larger apartment in order that his daughter will have a room of her own which will result in an increase of his monthly rent of approximately 40%. In spite of his present financial status, Mr. Jensen is willing to borrow $500.00 and offer it in full settlement of the balance of this claim.

Giving due consideration to Mr. Jensen's financial situation, the fact that it would take nearly five years for the claim to be paid in full by making regular monthly payments, and the time and cost involved to collect the complete balance should he default in his future commitments, it is my opinion that the State would be justified in accepting his offer of $500.00 in full settlement of the balance of this claim.

It is my recommendation, therefore, that this offer of settlement receive favorable consideration, in accordance with Mr. Levine's memorandum dated May 18, 1966, attached hereto, and the recommendation of the Highway Department Deputy Attorney General. (May 23, 1966)

Condemnation proceedings were previously authorized at which time the owner's demand of $20,000 was considered excessive.

Continued negotiations have resulted in the execution of an agreement in the amount of $19,700 including a down payment of $4,900. It is recommended that this agreement be approved and that condemnation proceedings previously authorized be discontinued. Authority is requested to dispose of the 1 family brick dwelling to the road contractor, by public auction, or by sealed bids. (May 20, 1966)

**Right of Way - Route 280 (1953)**

168 There is presented again the matter of acquisition of property on Route 280 (1953) Section 5, Project I 280-6-(4), Northfield Avenue to Kenilworth Place, Parcel 309, George A. Amabile & Mary Amabile, his wife, Joseph J. Amabile & Jennie Amabile, his wife (sometimes known as Henrietta Amabile) and Elizabeth Ippolito, widow. (cont'd)

An agreement in the sum of $39,000 was approved on August 16, 1965, and a down payment of $9,000.00 was made to the owners on September 7, 1965. Subsequently, a building was damaged by fire. Re-negotiations were conducted and a new agreement was secured in the amount of $35,500.00. It is recommended that this agreement be approved, that the owners be paid the balance of $26,500 due them, and that the previous action of August 16, 1965, be rescinded.

The two 4-family buildings and 1-car garage were demolished by the Contractor in the performance of his contract. (May 19, 1966)

169

Right of Way - Route 287 (1953)

There is presented again the matter of acquisition of property on Route 287 (1953), Section 7, Project I-287-2-(2), Passaic River to Annin Road, Parcel 161, Paul Otrupchak, widower. An agreement was previously approved for this parcel in the sum of $2,200.00.

Subsequently, the owner requested the State acquire the small remnant abutting on the northwesterly side. Negotiations were reopened on April 20, 1966 and a new agreement in the amount of $2,250.00 was executed by the property owner.

It is recommended that this agreement for Parcel 161 plus remnant in the sum of $2,250.00 be approved and the previous commission action of October 8, 1965 be rescinded. (May 16, 1966)

Right of Way - Route 3

170 There is presented again the matter of condemnation of property on Route 3, Section 4, Project U-116-(11), Pleasant Avenue to Eighth Street, Parcel 48, Ruth Pollack Wachtel & Milton, h/h.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $1,800.; and the testimony on behalf of the owner was in the sum of $5,000. The commissioners made an award in the sum of $3,500.

It is recommended that an appeal be authorized. (May 16, 1966)

Right of Way - Route 24 Freeway

171 There is presented again the matter of condemnation of property on Route 24 Freeway, Section 12, Project U-204-(6), River Road to Route 78, Parcel R157, Thomas P. Christensen and Gorden C. Christensen et al.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $120,100; and the testimony on behalf of the owner was in the sum of $131,400. The Commissioners made an award in the sum of $125,700.

The Trial Attorney reports that the owner has filed an appeal from the Commissioners' award and recommends that a deposit be made into Court in order to save interest. The registered fair market value is $125,000. It is therefore recommended that a cross-appeal be authorized and that the sum of $125,000 be deposited with the Court. (May 20, 1966)

172

Right of Way - Route 36 (1953)

There is presented again the matter of condemnation of property on Route 36 (1953), Section 3, Project U 111-(11), N.A.D. R.R. & Highway to Highland Beach, Parcel R53, Tamara Casriel and husband.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $16,600; and the testimony on behalf of the owner ranged from $35,000 to $40,100. The commissioners made an award in the sum of $30,000.

It is recommended that an appeal be authorized. (May 16, 1966)

Right of Way - Route 36

There is presented again the matter of condemnation of property on Route 36, Section 3, Project U-111-(11), N.A.D. R.R. and Highway to Highland Beach, Parcel 39, Edward H. Golden, Jr. and wife.

At the hearing before condemnation commissioners, the testimony on behalf of the State was in the sum of $16,600; and the testimony on behalf of the owner was in the sum of $30,080. The commissioners made an award in the sum of $25,000.

It is recommended that an appeal be authorized. (May 16, 1966)

Right of Way - Route 38

174 There is presented again the matter of condemnation of property on Route 38, Section 1, Project U-106-(12), From Route U.S. 130 to Route 73, Parcel 183, Chester A. Dennis, et al.

At the hearing before condemnation commissioners, the testimony on behalf of the State ranged from $6,100 to $6,550; and the testimony on behalf of the owner was in the sum of $8,500. The commissioners made an award in the sum of $8,500.

It is recommended that an appeal be authorized. (May 16, 1966)

Right of Way - Route 78

175 There is presented again the matter of acquisition of property on Route 78, Section 5D, Project I 78-5-(3), From Springfield Avenue to Garden State Parkway, Parcel 125, Dorothy Schneider. Condemnation proceedings were previously authorized at which time the owner demanded $25,500.

A deposit of $23,500 was previously made into Court at the time of the filing of the Declaration of Taking.

Subsequently an agreement in the sum of $23,500 was approved by the Commissioner at which time a request for the withdrawal of the deposit from Court was inadvertently omitted.

It is requested that authority be granted to withdraw the sum of $23,500 from the Court. (May 16, 1966)

Right of Way - Route FAI 108-2-(5)

176 There is presented again the matter of condemnation of lands on Route FAI 108-2-(5), Also Known As 295-2-(5), Warwick Road to Route 73, Parcel 208, Stanley S. Sliwka and wife. The landowners appealed the commissioners' award of $2,500.

At the trial before a jury, the testimony on behalf of the State was in the sum of $2,200 and the testimony on behalf of the owners was in the sum of $5,000. A Judgment has been entered in the sum of $5,337.11 including the amount of the verdict $4,500 plus interest amounting to $837.11 from the time of entry on August 1, 1962 to the date of Judgment on May 9, 1966.

It is recommended that this Judgment in the total sum of $5,337.11 plus interest from the date of entry of Judgment to the date of payment be approved. (May 20, 1966)

Right of Way - Route 278 (1953)

177 There is presented again the matter of condemnation of property on Route 278 (1953), Section 1, Project I-278-6-(2), From Routes U.S. 1 and U.S. 9 to Goethals Bridge, Parcel 147, William Sudnik and Helen, h/w. Condemnation proceedings were previously authorized at which time the owners were demanding $5,000.

Subsequently, a condemnation commissioners hearing was held at which time the testimony by the owner was in excess of $5,000; and the testimony on behalf of the State was in the sum of $2,900. The Commissioners' made an award in the sum of $3,850. No formal authority was granted by the Commissioner to appeal the commissioners' award. (cont'd)

Prior to the trial before a jury, the owner agreed to accept the sum of $3,300 without interest which was entered as a consent judgment by the court. This consent judgment is considered fair and reasonable and in the best interest of the State.

It is therefore requested that authority be granted to pay this consent judgment in the sum of $3,300 without interest and that authority also be granted to withdraw the sum of $2,900 which was previously deposited in the Superior Court. (May 20, 1966)

Right of Way - Route 287

178 There is presented again the matter of condemnation of property on Route 287, Section 9, Project I 287-2-(10), Sand Spring Road to Route 24, Parcel 3, Carmelo Taccetta and Ann Taccetta, h/w.

At the hearing before condemnation commissioners, the testimony on behalf of the State is in the sum of $56,800; and the testimony on behalf of the owner was in the sum of $102,000. The Commissioners made an award in the sum of $77,500.

It is recommended that an appeal be authorized. (May 19, 1966)

Right of Way - Route 440 Freeway

179 There is presented again the matter of an application for a Riparian Grant required from the Department of Conservation and Economic Development on Route 440 Freeway, Section 2, from Bayonne Bridge to Route U.S. 1 & 9 for Parcels T1D, T1E, T1F, T1G and T1H.

Inadvertently, the Commission Action signed by the State Highway Commissioner on May 6, 1966 listed Parcels T1A, T1B, and T1C whereas it should have been Parcels T1D, T1E, T1F, T1G and T1H. It is recommended that the action of May 6 be amended to show the proper parcels. (May 19, 1966)

Right of Way - Route 80

180 There is presented a report concerning relocation payments to William J. Vernay and Son for the court ordered eviction of Cornelius DeVisser, et al, from the property formerly owned by him and identified as Route 80, Section 4E, Project: F-46-(42), Parcel 51A.

In accordance with a Writ of Possession Order, dated November 30, 1965, William J. Vernay and Son were engaged by the Sheriff of the County of Passaic to remove the contents from the business and residence located on Parcel 51A.

Invoices pertaining to the eviction have been submitted by the mover to the State Highway Department for payment. The residential invoice is in the sum of $432.75, and the business invoice is in the sum of $244.50; both have been approved in the amounts indicated by the Attorney General's Office.

It is recommended that authority be granted to make payment to William J. Vernay and Son in the amount of the approved State Invoices. (May 16, 1966)

Right of Way - Route 10 (1953)

181 There are presented report and appraisals with map and description on Route 10, (1953), Section 1, From Route U.S. 46 to Millbrook Avenue, Parcels 7A & 7B, Edward F. Gnatz, widower.

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing on the premises. The owners made unreasonable demands.

Should, prior to the ultimate fixing of compensation, any provisions or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $10,200.00.

Upon taking of possession, authority is requested to dispose of the shed to the road contractor, by public auction, or by sealed bids. (May 16, 1966)

Right of Way - Route 17 ✓

There are presented report and appraisal with map and description on Route 17, Section 5, Project U-102-(18), From Ridgewood Avenue To Allendale Avenue, Parcel 102, Fred J. & Muriel A. Ruck, h/w.

It is recommended that authority be granted to institute condemnation proceedings for the acquisition of this parcel in fee simple, subject to any public utilities existing in the premises. The owner demanded $1,500 which is considered excessive.

Should, prior to the ultimate fixing of compensation, any provision or proceedings relating to the acquisition of this property delay the taking of possession and use thereof by the Highway Department, authority is requested to then file a declaration of taking and to deposit with the court $600. (May 16, 1966)

There is presented again the matter of condemnation of property on

Route 78, Section 5B, Project I 78-5-(12) Main Street to Springfield Avenue, Parcel 34, Clotilda Brown, widow. Condemnation proceedings were authorized on April 23, 1965, and a deposit in the sum of $5,100. was made into Court.

Subsequent thereto, Parcel 34 was purchased by William L. Dobrosky and Minnie R., his wife and Louis J. Dobbs and Joan M., his wife. It was then revised to Parcel R34 and condemnation proceedings were authorized on March 23, 1966 for the acquisition of Parcel R34, together with Parcels R33A and R33B; and for Parcel 2 on Route 24 (1953) Section 13. Authority was granted to deposit into Court the sum of $15,000., which represented (cont'd) the fair market value of Parcels 2R33A, R33B and R34 and Parcel 2. Condemnation proceedings previously authorized for the acquisition of Parcel 34 was also rescinded; however, inadvertently omitted from the action was a request that the sum of $5,100 which was deposited into Court for Parcel 34 be withdrawn.

Authority is therefore requested to withdraw from the Superior Court the sum of $5,100 which was deposited in the matter of condemnation of Parcel 34, Clotilda Brown, widow. (May 16, 1966)

Right of Way - Route 78

There is presented again the matter of condemnation of lands on Route 78, Section 4C, Project I-78-4-(5), Myers Road to Diamond Hill Road. Condemnation proceedings were previously authorized for Parcel 7, William C. Hosford, et ux, at which time their demand of $24,000 was excessive.

Subsequently, due to a map revision, Parcel 7 was changed to R7. Negotiations were conducted on this basis. The owner's demand of $24,000 is still considered excessive. Inasmuch as there was no change in value due to this slight revision, no further authority is required respecting the deposit of the sum of $12,000 in Superior Court. It is recommended that authority be granted to institute condemnation proceedings for the acquisition of Parcel R7 in fee simple, subject to any public utilities existing in the premises; and that the previous action covering Parcel 7 be rescinded.

Upon taking of possession, authority is requested to dispose of the two frame sheds to the road contractor by public auction or by sealed bids. It is further requested that authority be granted to enter upon the owner's remaining lands for the purpose of disconnecting the water pipe leading to the well and sanitary sewer pipe leading to the septic system. 5

**Services - Engineering** ✓

**Approval and execution is recommended of the attached Agreement in duplicate between Parsons, Brinckerhoff, Quade and Douglas, Consulting Engineers, and the State of New Jersey, covering understandings in connection with the performance of engineering services for establishing the alignment of State Route 74 from State Route 18 in East Brunswick Township to State Route 35 south of Cheesequake Creek in Middlesex County.**

**The Consultant is to be remunerated for the services covered under this Agreement in an amount not to exceed $4,000.00. (May 27, 1966)**

Services - Engineering ✓

6 The scope of the work originally contemplated for the Fish House Road and Route 7 Improvement covered in our Agreement with Hardesty and Hanover dated November 1, 1965 was increased due to the poor foundation conditions and major utility relocation which increased the estimated construction cost from two and a half million to three and a half million dollars. In addition, the consultant was authorized to work overtime to meet established target dates, which resulted in an expenditure of approximately $6,000 for premium time payments.

In order to compensate for the aforementioned, it is recommended that the ceiling on this project for the remuneration of salaries be increased from $150,000 to $170,000 or a total of $20,000. **(May 25, 1966)**

### Jurisdictional Agreement - Route 35 Freeway, Sections 3A and 2B, Monmouth County

Approval and execution is recommended of the attached Agreement dated May 16, 1966 between the Township of Ocean and the State of New Jersey covering understandings in connection with the apportionment of jurisdiction, control and maintenance relative to the State's construction of Route 35 Freeway, Sections 2B and 3A, which will include the building of a bridge to carry Deal Road (Poplar Road) over Route 35, in the Township of Ocean, County of Monmouth. (May 25, 1966)

### Utilities - Elizabethtown Water Route 278, Section 1; NJ-I-278-6(4)56

8 The PUD-15A-278-1 issued to the Elizabethtown Water Company authorized the setting up of $11,850.00 for reimbursement to the company for rearrangement of their facilities. However, the actual billing for this work amounted to $15,063.32. This increase in cost was due to the fact that the Contractor's cost was greater than was originally estimated, but were in line with the current prices for this type of work.

It is therefore recommended that an additional amount of $3,213.32 be set up to cover the actual cost incurred by the Elizabethtown Water Company. (May 26, 1966)

## Construction Items

### Route 7 (1953), Section 1C

9 Approval is recommended in making Award of Contract to the Nesto Construction Company for the Widening and Resurfacing of local roads on Route 7 (1953), Section 1C, 1st Stage Construction of Fish House Road Interchange from the vicinity of the Pulaski Skyway to Route 7, in the Town of Kearny, Hudson County, at their bid, the lowest of seven bids received on May 19, 1966, in the amount of $436,055.31. ## SCHEDULE OF APPROVALS - JUNE 8, 1966

### Administrative Item

Claims-Settlements

This claim covers the cost of repairs to State Highway vehicle bearing Reg. No. HYD-269, a 1960 Ford pick-up truck. This truck was damaged in an accident occurring on the Lawrenceville-Pennington Road, .6 mile north of Willow Road on January 31, 1966 at 8:15 A.M. The state vehicle was involved in this accident with another vehicle owned by Frank H. German, 20 Mercer Street, Trenton and operated by Kenneth A. German of the same address. Cost of repair to the State vehicle was $209.10.

Investigation by the Claims Bureau disclosed that the accident occurred during a severe snow storm. The facts from the police report and investigation disclosed that Mr. German was traveling south at a very cautious rate of speed when he attempted to go through an opening in the snow drifts and the wind began to blow the snow in front of his vehicle, temporarily blinding his vision. The State vehicle was also proceeding cautiously in a northerly direction when said vehicle attempted to pass through the opening in the snow drift and the drifting snow also blocked his vision. As both cars were proceeding through the snow drifts they collided. The damage to both vehicles was to the front left headlight and fender.

Upon contacting the insurance carrier for Mr. German, the Claims Bureau was informed that they could see no negligence on the part of their driver and, therefore, denied payment. In checking the police report, and in speaking with the police officer, Mr. Smith, the Claims Bureau was informed that both drivers appeared to have used caution and that it was, "Just one of those things with snow drifting and blowing, where they just couldn't see each other."

The Claims Bureau again contacted the insurance company for Mr. German and after sitting down and discussing this claim with them, they advised the Claims Bureau that they are now willing to pay fifty percent, $104.55, of the department's claim in order to avoid litigation.

In view of the foregoing, it is my recommendation, and in accordance with Mr. Levine's memorandum attached hereto, and the recommendation of Deputy Attorney General, William J. McCormack, that this claim against Frank H. and Kenneth A. German in the amount of $104.55 be accepted, rather than attempting to recover the small amount of this claim by means of litigation.

**Demolition of Buildings,**
**Route 78, Section 5C**

1[illegible] There is presented the matter of demolition of the buildings located on Route 78, Section 5C, Diamond Hill Road to Shunpike Road, Parcel 10, Project: I-78-5-(2).

An investigation has revealed that a saving of $600 can be accomplished by awarding the demolition of these improvements by a special contract rather than including them in the construction contract.

We had requested estimates from various demolition contractors and received the following two:

| | |
|---|---|
| Mitschele Contracting Company | $2,400 |
| James Petrozello Company, Inc. | $1,150 |

It is recommended that this matter be submitted to the State Highway Commissioner for the approval of the low bid in the amount of $1,150, and that upon approval of said bid, James Petrozello Company, Inc., be notified to proceed with the demolition immediately. (June 6, 1966)

Services-Engineering
Consultant Engineering Services

9 Approval and execution is recommended of the attached Agreement dated June 16, 1966 between Consultant Engineering Services, Consultant, and the State of New Jersey covering understandings in connection with the performance of various field and office engineering services relative to construction of State highways throughout New Jersey. The Consultant is to be remunerated for his services on an accumulative time-hourly rate fee based on approved schedule of classified hourly rates listed in the Agreement; plus repayment for requested printing and reproduction work toward a ceiling of $1,000; payment for use of motor vehicles at $6.00 a day toward a ceiling of $3,000; payment for use of an Electronic Computer toward a ceiling of $2,000; all toward a total ceiling of $25,000. It is, therefore, recommended that this amount be set up to cover the cost of engineering work called for under this Agreement. (June 14, 1966)

Agreements-Township of Livingston
Route 280, Sections 2A & 3C

10 Approval and execution is recommended of the attached Agreement dated June 9, 1966, between the Township of Livingston and the State of New Jersey covering understandings in connection with the State's construction of Interstate Route 280, Sections 2A and 3C, a portion of which will pass through the Township and necessitate the relocation of certain facilities of the existing water supply system which is owned and operated by the Township.

The State will make or cause to be made the above-mentioned revisions. The facilities constructed by the State and paid for by the State and Township under the terms of this Agreement shall become the sole property of the Township; and the Township will be solely responsible for the operations, repair and maintenance thereof. (June 14, 1966)

### Utilities - New Jersey Power & Light Co.
### Freeway Interstate 287, Section 6E

11 Under Utility Order No. PUO-87-287-6E N.J.-I-287-2(7)23 Cont. 2, with the New Jersey Power and Light Company, an amount of $27,760.00 was approved by Commission Action (excluding contingencies). However, actual billing by the Company amounts to $41,738.51. This represents about 50.4% or $13,978.51 over the original estimated amount. This excess was due to: 1. Increased cost of temporary aerial facilities as compared to Company's original estimates. 2. Prevailing rock conditions necessitated blasting and extra conduit work.

It is therefore recommended that an additional amount of $13,978.51 be set up, making a revised total cost of $41,738.51 for the above order for reimbursement to the New Jersey Power and Light Company. (June 10, 1966)

## Construction Items

### Route 21 (Freeway), Section 5A

12 Public Constructors, Inc., Blackwood, New Jersey, have completed all road work on their contract for Route 21(Freeway), Section 5A, Federal Project No. U-126(19), on May 29, 1965.

The project has been inspected and found satisfactory for acceptance.

It is recommended that the project be finally accepted and that final payment be authorized in accordance with the As-Built Quantities deducting the sum of $1330.36 representing thickness deficiencies in the Bituminous Stabilized Base Course estimated in the value of $452.91 and deficiencies in overall quality of Reinforced Concrete Pavement slabs #140, 142, 143, 144, 190, 196 and 201, comprising 539.97 square yards at 25% of $6.50, the bid price per square yard, in the value of $877.45.

This recommendation applies to road work only. (June 14, 1966)

### Route U.S. 46 (1953), Section 11C

13 Tri-County Asphalt Corporation, Roseland, New Jersey, completed all work on their contract for Route U.S. 46(1953), Section 11C, on August 7, 1965.

The project has been inspected and found satisfactory for acceptance.

It is recommended that the project be finally accepted and that a semi-final payment be authorized withholding 1% of the value of the completed work pending final disposition of the bituminous pavement records. (June 14, 1966)

### Route 46 (1953), Sections 5B and 6A

14 By Commission Action dated February 16, 1966, the project of Tri-County Asphalt Corporation, Roseland, New Jersey, on Route 46(1953), Sections 5B & 6A, was finally accepted and a semi-final payment authorized in accordance with the As-Built Quantities, withholding the sum of $20,000 representing the approximate value of excess thickness of FA-BC Pavement pending a more accurate determination thereof.

It is recommended that the Commission Action dated February 16, 1966 be amended to authorize semi-final payment in accordance with the As-Built Quantities withholding therefrom the sum of $10,000 representing the estimated value of excess thickness of FA-BC Pavement pending a final determination of the actual excess quantity thereof. (June 14, 1966)

**Route 280, Sections 4E and 5M,**
**FP Nos. NJ-I-280-6(7)55 and NJ-I-280-6(4)57** ✓

15 By Commission Action dated June 28, 1965, final payment in accordance with the As-Built Quantities was authorized to William M. Young & Co., Newark, New Jersey, contractor for Route 280, Sections 4E & 5M, Federal Project Numbers NJ-I-280-6(7)55 and NJ-I-280-6(4)57.

Subsequent to this action and prior to final payment, a question arose concerning the contractors responsibility for damages to a building conveyed by the Right of Way Division to a private party.

It is recommended that the Commission Action dated June 28, 1965 be amended to provide that final payment be authorized in accordance with the As-Built Quantities deducting therefrom the total amount of $1950.00 representing demolition cost in the amount of $1200.00 for a building damaged by the contractor's activities, and the loss of $750.00, sales value of said building. (June 14, 1966)
